Immediately after determining any Exchange Date, the Agent shall notify its determination to the Issuer, the other Paying Agents, the relevant Dealer, Euroclear and Clearstream, Luxembourg.

4.2 Where a Temporary Global Note or Temporary Global Covered Bond is to be exchanged for a Permanent Global Note or a Permanent Global Covered Bond, the Agent is authorised by the Issuer and instructed:

- (a) in the case of the first Tranche of any Series of Notes or Covered Bonds, to prepare and complete a Permanent Global Note or a Permanent Global Covered Bond in accordance with the terms of the Temporary Global Note or Temporary Global Covered Bond applicable to the Tranche by attaching a copy of the applicable Final Terms to a copy of the master Permanent Global Note or master Permanent Global Covered Bond, as applicable;
- (b) in the case of the first Tranche of any Series of Notes or Covered Bonds, to authenticate the Permanent Global Note or Permanent Global Covered Bond;
- (c) in the case of the first Tranche of any Series of Notes or Covered Bonds, if the Permanent Global Note or Permanent Global Covered Bond is a CGN, to deliver the Permanent Global Note or Permanent Global Covered Bond to the common depositary which is holding the Temporary Global Note or Temporary Global Covered Bond representing the Tranche for

the time being on behalf of Euroclear and/or Clearstream, Luxembourg to hold on behalf of the Issuer pending its exchange for the Temporary Global Note or Temporary Global Covered Bond;

- (d) in the case of the first Tranche of any Series of Notes or Covered Bonds if the Permanent Global Note or Permanent Global Covered Bond is a NGN, to deliver the Permanent Global Note or Permanent Global Covered Bond to the common safekeeper which is holding the Temporary Global Note or Temporary Global Covered Bond representing the Tranche for the time being on behalf of Euroclear and/or Clearstream, Luxembourg to effectuate (in the case of a Permanent Global Note or Permanent Global Covered Bond which is a Eurosystem-eligible NGN) and to hold on behalf of the Issuer pending its exchange for the Temporary Global Note or Temporary Global Covered Bond;
- (e) in the case of a subsequent Tranche of any Series of Notes or Covered Bonds if the Permanent Global Note or Permanent Global Covered Bond is a CGN, to attach a copy of the applicable Final Terms to the Permanent Global Note or Permanent Global Covered Bond applicable to the relevant Series and to enter details of any exchange in whole or part; and
- (f) in the case of a subsequent Tranche of any Series of Notes or Covered Bonds if the Permanent Global Note or Permanent Global Covered Bond is a NGN, to deliver the applicable Final Terms to the specified common safekeeper for attachment to the Permanent Global Note or Permanent Global Covered Bond applicable to the relevant Series.

4.3 Where a Global Note or a Global Covered Bond is to be exchanged for Definitive Notes or Definitive Covered Bonds in accordance with its terms, the Agent is authorised by the Issuer and instructed:

- (a) to authenticate the Definitive Notes or Definitive Covered Bonds in accordance with the provisions of this Agreement; and
- (b) to deliver the Definitive Notes or Definitive Covered Bonds to or to the order of Euroclear and/or Clearstream, Luxembourg.

4.4 Upon any exchange of all or a part of an interest in a Temporary Global Note or Temporary Global Covered Bond for an interest in a Permanent Global Note or Permanent Global Covered Bond or upon any exchange of all of an interest in a Permanent Global Note or Permanent Global Covered Bond for Definitive Notes or Definitive Covered Bonds, the Agent shall:

- (a) procure that the relevant Global Note or Global Covered Bond shall, if it is a CGN, be endorsed by or on behalf of the Agent to reflect the reduction of its nominal amount by the aggregate nominal amount so exchanged and, where applicable, the Permanent Global Note or Permanent Global Covered Bond shall be endorsed by or on behalf of the Agent to reflect the increase in its nominal amount as a result of any exchange for an interest in the Temporary Global Note or Temporary Global Covered Bond; or
- (b) in the case of any Global Note or Global Covered Bond which is a NGN, instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange.

Until exchanged in full, the holder of an interest in any Global Note or Global Covered Bond shall in all respects be entitled to the same benefits under this Agreement as the holder of Definitive Notes, Definitive Covered Bonds and Coupons authenticated and delivered under this Agreement, subject as set out in the Conditions. The Agent is authorised on behalf of the Issuer and instructed:

- (i) in the case of any Global Note or Global Covered Bond which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note or Global Covered Bond to reflect the reduction in the nominal amount represented by it by the amount so exchanged and, if appropriate, to endorse the Permanent Global Note or Permanent Global Covered Bond to reflect any increase in the nominal amount represented by it and, in either case, to sign in the relevant space on the relevant Global Note or Global Covered Bond recording the exchange and reduction or increase; or
- (ii) in the case of any Global Note or Global Covered Bond which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange; or
- (iii) in the case of a total exchange, to cancel or arrange for the cancellation of the relevant Global Note or Global Covered Bond.

4.5 The Agent shall notify the Issuer immediately after it receives a request for the issue of Definitive Notes or Definitive Covered Bonds in accordance with the provisions of a Global Note or Global Covered Bond and the aggregate nominal amount of the Global Note or Global Covered Bond to be exchanged.

4.6 The Issuer undertakes to deliver to the Agent sufficient numbers of executed Definitive Notes or Definitive Covered Bonds with, if applicable, Coupons and Talons attached, to enable the Agent to comply with its obligations under this Agreement.

5. TERMS OF ISSUE

5.1 The Agent shall cause all Notes or Covered Bonds delivered to and held by it under this Agreement to be maintained in safe custody and shall ensure that Notes and Covered Bonds are issued only in accordance with the provisions of this Agreement, the Conditions and, where applicable, the relevant Global Notes or Global Covered Bonds.

5.2 Subject to the procedures set out in the Procedures Memorandum, for the purposes of clause 3, the Agent is entitled to treat a telephone, e-mail or facsimile communication from a person purporting to be (and whom the Agent believes in good faith to be) the authorised representative of the Issuer named in the list referred to in, or notified pursuant to, subclause 18.7, or any other list duly provided for the purpose by the Issuer to the Agent, as sufficient instructions and authority of the Issuer for the Agent to act in accordance with clause 3.

5.3 In the event that a person who has signed a master Global Note or a master Global Covered Bond held by the Agent on behalf of the Issuer ceases to be authorised as described in subclause 18.7, the Agent shall (unless the Issuer gives notice to the Agent that Notes or Covered Bonds signed by that person do not constitute valid and binding obligations of the Issuer or otherwise until replacements have been provided to the Agent) continue to have authority to issue Notes or Covered Bonds signed by that person, and the Issuer warrants to the Agent that those Notes or Covered Bonds shall be valid and binding obligations of the Issuer. Promptly upon any person ceasing to be authorised, the Issuer shall provide the Agent with replacement master Global Notes and master Global Covered Bonds and the Agent shall, upon receipt of such replacements, cancel and destroy the master Global Notes and master Global Covered Bonds held by it which are signed by that person and, upon request, shall provide the Issuer with a certificate of destruction, specifying the master Global Notes and master Global Covered Bonds so cancelled and destroyed.

5.4 The Agent shall provide Euroclear and/or Clearstream, Luxembourg with the notifications, instructions or information to be given by the Agent to Euroclear and/or Clearstream, Luxembourg.

- 5.5 This subclause only applies when following the settlement procedures set out in Part 1 of Annex 1 of the Procedures Memorandum. If the Agent pays an amount (the **Advance**) to the Issuer on the basis that a payment (the **Payment**) has been or will be received from a Dealer and if the Payment is not received by the Agent on the date the Agent pays the Issuer, the Issuer shall repay to the Agent the Advance and shall pay interest on the Advance (or the unreimbursed portion thereof) from (and including) the date the Advance is made to (but excluding) the earlier of repayment of the Advance or receipt by the Agent of the Payment at a rate quoted at that time by the Agent as its cost of funding the Advance provided that evidence of the basis of such rate is given to the Issuer. For the avoidance of doubt, the Agent shall not be obliged to pay any amount to the Issuer if it has not received satisfactory confirmation that it is to receive the amount from a Dealer.
- 5.6 This subclause only applies when following the settlement procedures set out in Part 1 of Annex 1 of the Procedures Memorandum. Except in the case of issues where the Agent does not act as receiving bank for the Issuer in respect of the purchase price of the Notes or Covered Bonds being issued, if on the relevant Issue Date a Dealer does not pay the full purchase price due from it in respect of any Note (the **Defaulted Note**) or Covered Bond (the **Defaulted Covered Bond**), as applicable, and, as a result, the Defaulted Note or Defaulted Covered Bond remains in the Agent's distribution account with Euroclear and/or Clearstream, Luxembourg after the Issue Date, the Agent will continue to hold the Defaulted Note or Defaulted Covered Bond to the order of the Issuer. The Agent shall notify the Issuer immediately of the failure of the Dealer to pay the full purchase price due from it in respect of any Defaulted Note or Defaulted Covered Bond and, subsequently, shall (a) notify the Issuer immediately on receipt from the Dealer of the full purchase price in respect of any Defaulted Note or Defaulted Covered Bond and (b) pay to the Issuer the amount so received.

6. PAYMENTS

- 6.1 The Issuer will, before 10.00 a.m. (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time), on each date on which any payment in respect of any Note or Covered Bond becomes due under the relevant Conditions, transfer to an account specified by the Agent an amount in the relevant currency sufficient for the purposes of the payment in funds settled through such payment system as the Agent and the Issuer may agree.
- 6.2 Any funds paid by or by arrangement with the Issuer to the Agent under subclause 6.1 shall be held in the relevant account referred to in subclause 6.1 for payment to the Noteholders, Covered Bondholders or Couponholders, as the case may be, until any Notes or Covered Bonds or matured Coupons become void under Condition 8. In that event the Agent shall repay to the Issuer sums equivalent to the amounts which would otherwise have been repayable on the relevant Notes, Covered Bonds or Coupons.
- 6.3 The Issuer will ensure that no later than 10.00 a.m. (London time) on the second Business Day (as defined below) immediately preceding the date on which any payment is to be made to the Agent under subclause 6.1, the Agent shall receive a payment confirmation by authenticated SWIFT from the paying bank of the Issuer. For the purposes of this subclause, **Business Day** means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in Finland and England.
- 6.4 The Agent shall notify each of the other Paying Agents immediately:
- (a) if it has not by the relevant date set out in subclause 6.1 received unconditionally the full amount in the Specified Currency required for the payment; and
 - (b) if it receives unconditionally the full amount of any sum payable in respect of the Notes, Covered Bonds or Coupons after that date.

The Agent shall, at the expense of the Issuer, immediately on receiving any amount as described in subclause 6.4(b), cause notice of that receipt to be published under Condition 13 of the Note Conditions or Condition 12 of the Covered Bond Conditions, as applicable.

- 6.5 The Agent shall ensure that payments of both principal and interest in respect of a Temporary Global Note or a Temporary Global Covered Bond will only be made if certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations has been received from Euroclear and/or Clearstream, Luxembourg in accordance with the terms of the Temporary Global Note or the Temporary Global Covered Bond.
- 6.6 Unless it has received notice under subclause 6.4(a), each Paying Agent shall pay or cause to be paid all amounts due in respect of the Notes or Covered Bonds on behalf of the Issuer in the manner provided in the Conditions. If any payment provided for in subclause 6.1 is made late but otherwise in accordance with the provisions of this Agreement, the relevant Paying Agent shall nevertheless make payments in respect of the Notes or Covered Bonds as stated above following receipt by it of such payment.
- 6.7 If for any reason the Agent considers in its sole discretion that the amounts to be received by it under subclause 6.1 will be, or the amounts actually received by it are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Notes or Covered Bonds, no Paying Agent shall be obliged to pay any such claims until the Agent has received the full amount of all such payments.
- 6.8 Without prejudice to subclauses 6.6 and 6.7, if the Agent pays any amounts to the holders of Notes, Covered Bonds or Coupons or to any other Paying Agent at a time when it has not received payment in full in respect of the relevant Notes or Covered Bonds in accordance with subclause 6.1 (the excess of the amounts so paid over the amounts so received being the **Shortfall**), the Issuer will, in addition to paying amounts due under subclause 6.1, pay to the Agent on demand interest (at a rate which represents the Agent's cost of funding the Shortfall) on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Agent of the Shortfall.
- 6.9 The Agent shall on demand promptly reimburse each other Paying Agent for payments in respect of Notes or Covered Bonds properly made by each Paying Agent in accordance with this Agreement and the Conditions unless the Agent has notified the relevant Paying Agent, prior to its opening of business on the due date of a payment in respect of the Notes or Covered Bonds, that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of the Notes or Covered Bonds.
- 6.10 Whilst any Notes or Covered Bonds are represented by Global Notes or Global Covered Bonds, all payments due in respect of the Notes or Covered Bonds shall be made to, or to the order of, the holder of the Global Notes or Global Covered Bonds, subject to and in accordance with the provisions of the Global Notes or Global Covered Bonds. On the occasion of each payment, (i) in the case of a CGN, the Paying Agent to which any Global Note or Global Covered Bond was presented for the purpose of making the payment shall cause the appropriate Schedule to the relevant Global Note or Global Covered Bond to be annotated so as to evidence the amounts and dates of the payments of principal and/or interest as applicable or (ii) in the case of any Global Note or Global Covered Bond which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.
- 6.11 If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of a deduction required by law to be made or by reason of a FATCA Withholding or a certification required by the terms of a Note or a Covered Bond not being received), (i) the Paying Agent to which a Note, Covered Bond or Coupon (as the case may be) is presented for the purpose

of making the payment shall, unless the Note or Covered Bond is a NGN, make a record of the shortfall on the relevant Note, Covered Bond or Coupon and the record shall, in the absence of manifest error, be *prima facie* evidence that the payment in question has not to that extent been made or (ii) in the case of any Global Note or Global Covered Bond which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such shortfall in payment.

- 6.12 Notwithstanding any other provision of this Agreement, each Paying Agent shall be entitled to make a withholding or deduction from any payment which it makes under any Notes or Covered Bonds for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event such Agent shall make such payment after such withholding or deduction has been made and shall account to the relevant Authority within the time allowed for the amount so withheld or deducted or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so withheld or deducted, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, FATCA Withholding is a withholding or deduction which is deemed to be required by Applicable Law for the purposes of this subclause 6.12. In this subclause 6.12 and subclauses 6.13 and 18.10, **Applicable Law** means any law or regulation, **Authority** means any competent regulatory, prosecuting, Tax or governmental authority in any jurisdiction and **Tax** means any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Authority having power to tax.
- 6.13 If the Issuer determines in its sole discretion that any withholding or deduction for or on account of any Tax will be required by Applicable Law in connection with any payment due to any Paying Agent on any Notes or Covered Bonds, then the Issuer will be entitled to re-direct or reorganise any such payment in any way that it sees fit in order that the payment may be made without such withholding or deduction provided that any such payment is made in accordance with this Agreement. The Issuer will promptly notify the Agent of any such redirection or reorganisation. For the avoidance of doubt, FATCA Withholding is a withholding or deduction which is deemed to be required by Applicable Law for the purposes of this subclause 6.13.

7. DETERMINATIONS AND NOTIFICATIONS IN RESPECT OF NOTES AND COVERED BONDS AND INTEREST DETERMINATION

7.1 Determinations and notifications

- (a) The Agent shall, unless otherwise specified in the applicable Final Terms, make all the determinations and calculations which it is required to make under the Conditions, all subject to and in accordance with the Conditions.
- (b) The Agent shall not be responsible to the Issuer or to any third party as a result of the Agent having acted on any quotation given by any Reference Bank which subsequently may be found to be incorrect.
- (c) The Agent shall promptly notify (and confirm in writing to) the Issuer, the other Paying Agents and (in respect of a Series of Notes or Covered Bonds listed on a Stock Exchange) the relevant Stock Exchange by no later than the first day of each Interest Period of each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions as soon as practicable after their determination and of any subsequent amendments to them under the Conditions.
- (d) The Agent shall use its best endeavours to cause each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate

under the Conditions to be published as required in accordance with the Conditions as soon as possible after their determination or calculation.

- (e) If the Agent does not at any time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period or any other amount, rate or date as provided in this clause, it shall immediately notify the Issuer and the other Paying Agents of that fact.
- (f) Determinations with regard to Notes or Covered Bonds required to be made by a Calculation Agent shall be made in the manner agreed with the Issuer and the relevant Dealer or Lead Manager, as the case may be. Unless otherwise agreed between the Issuer and the relevant Dealer or the Lead Manager, as the case may be, or unless the Agent is the Calculation Agent (in which case the provisions of this Agreement shall apply), those determinations shall be made on the basis of a Calculation Agency Agreement substantially in the form of Schedule 1. Notes or Covered Bonds of any Series may specify additional duties and obligations of any Paying Agent, the performance of which will be agreed between the Issuer and the relevant Paying Agent prior to the relevant Issue Date.

7.2 Interest determination including Fallback Provisions

- (a) The Rate of Interest for each Interest Period will be determined in accordance with the Conditions.
- (b) The Conditions also contain provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or the quotation or quotations required by the Conditions are unavailable or following a Benchmark Event (as defined in Condition 4.5 of the Note Conditions or, as applicable, Condition 4.3 of the Covered Bond Conditions).

8. NOTICE OF ANY WITHHOLDING OR DEDUCTION

- 8.1 If the Issuer is, in respect of any payment, compelled to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, it shall give notice of that fact to the Agent as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Agent such information as it shall require to enable it to comply with the requirement.
- 8.2 If any Paying Agent is, in respect of any payment of principal or interest in respect of the Notes or Covered Bonds, compelled to withhold or deduct any amount for or on account of any taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, other than arising under subclause 8.1 or by virtue of the relevant holder failing to satisfy any certification or other requirement in respect of its Notes or Covered Bonds, it shall give notice of that fact to the Issuer and the Agent as soon as it becomes aware of the compulsion to withhold or deduct.

9. DUTIES OF THE PAYING AGENTS IN CONNECTION WITH EARLY REDEMPTION AND EXTENSION OF MATURITY

- 9.1 If the Issuer decides to redeem any Notes or Covered Bonds for the time being outstanding before their Maturity Date in accordance with the Conditions, the Issuer shall give notice of the decision to the Agent stating the date on which the Notes or Covered Bonds are to be redeemed and the nominal amount of Notes or Covered Bonds to be redeemed not less than 15 days before the date on which the Issuer will give notice to the Noteholders or Covered Bondholders as applicable in accordance with the Conditions of the redemption in order to enable the Agent to carry out its duties in this Agreement and in the Conditions.

- 9.2 If some only of the Notes or Covered Bonds are to be redeemed, the Agent shall, in the case of Definitive Notes or Definitive Covered Bonds, make the required drawing in accordance with the Conditions but shall give the Issuer reasonable notice of the time and place proposed for the drawing and the Issuer shall be entitled to send representatives to attend the drawing and shall, in the case of Notes or Covered Bonds in global form, co-ordinate the selection of Notes or Covered Bonds to be redeemed with Euroclear and Clearstream, Luxembourg, all in accordance with the Conditions.
- 9.3 The Agent shall publish the notice required in connection with any redemption and shall, if applicable, at the same time also publish a separate list of the serial numbers of any Notes or Covered Bonds in definitive form previously drawn and not presented for redemption. The redemption notice shall specify the date fixed for redemption, the redemption amount, the manner in which redemption will be effected and, in the case of a partial redemption of Definitive Notes or Definitive Covered Bonds, the serial numbers of the Notes or Covered Bonds to be redeemed. The notice will be published in accordance with the Conditions. The Agent will also notify the other Paying Agents of any date fixed for redemption of any Notes or Covered Bonds.
- 9.4 Each Paying Agent will keep a stock of Put Notices and will make them available on demand to holders of Definitive Notes and holders of Definitive Covered Bonds, the Conditions of which provide for redemption at the option of Noteholders or Covered Bondholders, as applicable. Upon receipt of any Note or Covered Bond deposited in the exercise of a put option in accordance with the Conditions, the Paying Agent with which the Note or Covered Bond is deposited shall hold the Note or Covered Bond (together with any Coupons and Talons relating to it deposited with it) on behalf of the depositing Noteholder or Covered Bondholder (but shall not, save as provided below, release it) until the due date for redemption of the relevant Note or Covered Bond consequent upon the exercise of the option, when, subject as provided below, it shall present the Note or Covered Bond (and any such unmatured Coupons and Talons) to itself for payment of the amount due together with any interest due on the date of redemption in accordance with the Conditions and shall pay those moneys in accordance with the directions of the Noteholder or Covered Bondholder contained in the relevant Put Notice. If, prior to the due date for its redemption, an Event of Default has occurred and is continuing, in the case of Notes, or if, prior to the due date for its redemption, the Note or Covered Bond becomes immediately due and repayable or if upon due presentation payment of the redemption moneys is improperly withheld or refused, the Paying Agent concerned shall post the Note or Covered Bond (together with any such Coupons and Talons) by uninsured post to, and at the risk of, the relevant Noteholder or Covered Bondholder (unless the Noteholder or Covered Bondholder has otherwise requested and paid the costs of insurance to the relevant Paying Agent at the time of depositing the Notes or Covered Bonds) at the address given by the Noteholder or Covered Bondholder in the relevant Put Notice. At the end of each period for the exercise of any put option, each Paying Agent shall promptly notify the Agent of the principal amount of the Notes or Covered Bonds in respect of which the option has been exercised with it together with their serial numbers and the Agent shall promptly notify those details to the Issuer.
- 9.5 The Issuer shall confirm to the Agent as soon as reasonably practicable and in any event at least 5 Business Days in London prior to the Maturity Date of any non-payment in full by the Issuer of the Final Redemption Amount in respect of a Series of Covered Bonds on that Maturity Date. Upon receipt of such notice from the Issuer, the Agent shall promptly, and in any event at least 2 Business Days in London prior to the relevant Maturity Date, forward such notice to Euroclear and Clearstream, Luxembourg.

10. RECEIPT AND PUBLICATION OF NOTICES

- 10.1 Immediately after it receives a demand or notice from any Noteholder or Covered Bondholder in accordance with the Conditions, the Agent shall forward a copy to the Issuer.

10.2 On behalf of and at the request and expense of the Issuer, the Agent shall cause to be published all notices required to be given by the Issuer to the Noteholders and Covered Bondholders in accordance with the Conditions.

10.3 Unless otherwise agreed with the Agent, the Issuer shall provide to the Agent the form of any notice to be published not less than five business days in advance of the requested date of publication.

11. CANCELLATION OF NOTES, COVERED BONDS, COUPONS AND TALONS

11.1 All Notes and Covered Bonds which are redeemed, all Global Notes and Global Covered Bonds which are exchanged in full, all Coupons which are paid and all Talons which are exchanged shall be cancelled by the Paying Agent by which they are redeemed, exchanged or paid. In addition, the Issuer shall immediately notify the Agent in writing of all Notes and Covered Bonds which are purchased on behalf of the Issuer or any of its Subsidiaries and all such Notes and Covered Bonds surrendered to a Paying Agent for cancellation, together (in the case of Definitive Notes or Definitive Covered Bonds) with all unmatured Coupons or Talons (if any) attached to them or surrendered with them, shall be cancelled by the Paying Agent to which they are surrendered. Each of the Paying Agents shall give to the Agent details of all payments made by it and shall deliver all cancelled Notes, Covered Bonds, Coupons and Talons to the Agent or as the Agent may specify.

11.2 The Agent shall, upon request, deliver to the Issuer as soon as reasonably practicable and in any event within three months after the date of each repayment, payment, cancellation or replacement, as the case may be, a certificate stating:

- (a) the aggregate nominal amount of Notes and Covered Bonds which have been redeemed and the aggregate amount paid in respect of them;
- (b) the number of Notes and Covered Bonds cancelled together (in the case of Notes and Covered Bonds in definitive form) with details of all unmatured Coupons or Talons attached to them or delivered with them;
- (c) the aggregate amount paid in respect of interest on the Notes and/or Covered Bonds;
- (d) the total number by maturity date of Coupons and Talons cancelled; and
- (e) (in the case of Definitive Notes and Definitive Covered Bonds) the serial numbers of the Notes and Covered Bonds.

11.3 The Agent shall destroy all cancelled Notes, Covered Bonds, Coupons and Talons and, upon request, send to the Issuer a certificate stating the serial numbers of the Notes and/or Covered Bonds (in the case of Notes and Covered Bonds in definitive form) and the number by maturity date of Coupons and Talons destroyed.

11.4 Without prejudice to the obligations of the Agent under subclause 11.2, the Agent shall keep a full and complete record of all Notes, Covered Bonds, Coupons and Talons (other than serial numbers of Coupons) and of their redemption, purchase on behalf of the Issuer or any of its Subsidiaries and cancellation, payment or replacement (as the case may be) and of all replacement Notes, Covered Bonds, Coupons or Talons issued in substitution for mutilated, defaced, destroyed, lost or stolen Notes, Covered Bonds, Coupons or Talons. The Agent shall in respect of the Coupons of each maturity retain (in the case of Coupons other than Talons) until the expiry of ten years from the Relevant Date in respect of such Coupons and (in the case of Talons) indefinitely either all paid or exchanged Coupons of that maturity or a list of the serial numbers of Coupons of that maturity still remaining unpaid or unexchanged. The Agent shall at all reasonable times during local business

hours make the record available to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it at the expense of the person requesting such copies.

- 11.5 The Agent is authorised by the Issuer and instructed to (a) in the case of any Global Note or Global Covered Bond which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note or Global Covered Bond to reflect the reduction in the nominal amount represented by it by the amount so redeemed or purchased and cancelled and (b) in the case of any Global Note or Global Covered Bond which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be; provided, that, in the case of a purchase or cancellation, the Issuer has notified the Agent of the same in accordance with subclause 11.1.

12. ISSUE OF REPLACEMENT NOTES, COVERED BONDS, COUPONS AND TALONS

- 12.1 The Issuer will cause a sufficient quantity of additional forms of Notes, Covered Bonds, Coupons and Talons to be available, upon request, to the Agent at its specified office for the purpose of issuing replacement Notes, Covered Bonds, Coupons and Talons as provided below.
- 12.2 The Agent will, subject to and in accordance with the Conditions and this clause, cause to be delivered any replacement Notes, Covered Bonds, Coupons and Talons which the Issuer may determine to issue in place of Notes, Covered Bonds, Coupons and Talons which have been lost, stolen, mutilated, defaced or destroyed.
- 12.3 In the case of a mutilated or defaced Note or Covered Bond, the Agent shall ensure that (unless otherwise covered by such indemnity as the Issuer may reasonably require) any replacement Note or Covered Bond will only have attached to it Coupons and Talons corresponding to those (if any) attached to the mutilated or defaced Note or Covered Bond which is presented for replacement.
- 12.4 The Agent shall obtain verification in the case of an allegedly lost, stolen or destroyed Note, Covered Bond, Coupon or Talon in respect of which the serial number is known, that the Note, Covered Bon, Coupon or Talon has not previously been redeemed, paid or exchanged, as the case may be. The Agent shall not issue any replacement Note, Covered Bond, Coupon or Talon unless and until the claimant shall have:
- (a) paid the costs and expenses incurred in connection with the issue;
 - (b) provided it with such evidence and indemnity as the Issuer and/or the Agent may reasonably require; and
 - (c) in the case of any mutilated or defaced Note, Covered Bond, Coupon or Talon, surrendered it to the Agent.
- 12.5 The Agent shall cancel any mutilated or defaced Notes, Covered Bonds, Coupons and Talons in respect of which replacement Notes, Covered Bonds, Coupons and Talons have been issued under this clause and shall furnish the Issuer with a certificate stating the serial numbers of the Notes, Covered Bonds, Coupons and Talons cancelled and, unless otherwise instructed by the Issuer in writing, shall destroy the cancelled Notes, Covered Bonds, Coupons and Talons and, upon request, give to the Issuer a destruction certificate containing the information specified in subclause 11.3.
- 12.6 The Agent shall, on issuing any replacement Note, Covered Bond, Coupon or Talon, immediately inform the Issuer and the other Paying Agents of the serial number of the replacement Note, Covered Bond, Coupon or Talon issued and (if known) of the serial number of the Note, Covered Bond, Coupon or Talon in place of which the replacement Note, Covered Bond, Coupon or Talon has been issued. Whenever replacement Coupons or Talons are issued, the Agent shall also notify the other

Paying Agents of the maturity dates of the lost, stolen, mutilated, defaced or destroyed Coupons or Talons and of the replacement Coupons or Talons issued.

- 12.7 The Agent shall keep a full and complete record of all replacement Notes, Covered Bonds, Coupons and Talons issued and shall make the record available at all reasonable times during local business hours to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it at the expense of the person requesting such copies.
- 12.8 Whenever any Note, Covered Bond, Coupon or Talon for which a replacement Note, Covered Bond, Coupon or Talon has been issued and in respect of which the serial number is known is presented to a Paying Agent for payment, the relevant Paying Agent shall immediately send notice of that fact to the Issuer and the other Paying Agents.
- 12.9 The Paying Agents shall issue further Coupon sheets against surrender of Talons. A Talon so surrendered shall be cancelled by the relevant Paying Agent who (except where the Paying Agent is the Agent) shall inform the Agent of its serial number. Further Coupon sheets issued on surrender of Talons shall carry the same serial number as the surrendered Talon.

13. COPIES OF DOCUMENTS AVAILABLE FOR INSPECTION

Each Paying Agent shall hold available for inspection or collection at its specified office during normal business hours copies of all documents required to be so available by the Conditions of any Notes or Covered Bonds. For these purposes, the Issuer shall provide the Paying Agents with sufficient copies of each of the relevant documents. Each Paying Agent shall provide by email to a Noteholder or Covered Bondholder copies of all documents required to be so available by the Note Conditions or Covered Bond Conditions, following the Noteholder's or Covered Bondholder's prior written request and provision of proof of holding and identity (in a form satisfactory to the relevant Paying Agent).

14. MEETINGS OF NOTEHOLDERS AND COVERED BONDHOLDERS

- 14.1 The provisions of Schedule 5 shall apply to meetings of the Noteholders and Covered Bondholders and shall have effect in the same manner as if set out in this Agreement.

Each of the Paying Agents will keep a full and complete record of all voting certificates and block voting instructions issued by it and will, not less than 24 hours before the time appointed for holding a meeting or adjourned meeting, deposit at such place as the Agent shall approve, full particulars of all voting certificates and block voting instructions issued by it in respect of the meeting or adjourned meeting.

15. COMMISSIONS AND EXPENSES

- 15.1 The Issuer agrees to pay to the Agent such fees and commissions as the Issuer and the Agent shall separately agree in respect of the services of the Paying Agents under this Agreement together with any out of pocket expenses (including legal, printing, postage, fax, cable and advertising expenses) incurred by the Paying Agents in connection with their services.
- 15.2 The Agent will make payment of the fees and commissions due under this Agreement to the other Paying Agents and will reimburse their expenses promptly after the receipt of the relevant moneys from the Issuer. The Issuer shall not be responsible for any payment or reimbursement by the Agent to the other Paying Agents.

16. INDEMNITY

- 16.1 The Issuer shall indemnify each of the Paying Agents (including when such Paying Agent acts as the Calculation Agent) against any losses, liabilities, costs, claims, actions, demands or expenses (together, **Losses**) (including, but not limited to, all reasonable costs, legal fees, charges and expenses (together, **Expenses**) paid or incurred in disputing or defending any Losses) which it may incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except for any Losses or Expenses resulting from its own wilful default, gross negligence or bad faith or that of its officers, directors or employees or the breach by it of the terms of this Agreement. In no circumstances will a Paying Agent be liable to the Issuer for Losses which are not a reasonably foreseeable consequence of an act or omission of the relevant Paying Agent. For the avoidance of doubt, loss of business, goodwill, opportunity or profit shall not be a reasonably foreseeable consequence for the purposes of this clause, even if a Paying Agent is advised of the possibility of such a loss.
- 16.2 The indemnity set out above shall survive any termination of this Agreement.

17. RESPONSIBILITY OF THE PAYING AGENTS

- 17.1 No Paying Agent shall be responsible to anyone with respect to the validity of this Agreement or the Notes, Covered Bonds or Coupons or for any act or omission by it in connection with this Agreement or any Note, Covered Bond or Coupon except for its own negligence, default or bad faith, including that of its officers and employees.
- 17.2 No Paying Agent shall have any duty or responsibility in the case of any default by the Issuer in the performance of its obligations under the Conditions or, in the case of receipt of a written demand from a Noteholder, Covered Bondholder or Couponholder, with respect to such default, provided however that immediately on receiving any notice given by a Noteholder or Covered Bondholder in accordance with Condition 13 of the Note Conditions or Condition 12 of the Covered Bond Conditions, as applicable, the Agent notifies the Issuer of the fact and furnishes it with a copy of the notice.
- 17.3 Whenever in the performance of its duties under this Agreement a Paying Agent shall deem it desirable that any matter be established by the Issuer prior to taking or suffering any action under this Agreement, the matter may be deemed to be conclusively established by a certificate signed by the Issuer and delivered to the Paying Agent and the certificate shall be a full authorisation to the Paying Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon the certificate.

18. CONDITIONS OF APPOINTMENT

- 18.1 Each Paying Agent shall be entitled to deal with money paid to it by the Issuer for the purpose of this Agreement in the same manner as other money paid to a banker by its customers except:
- (a) that it shall not exercise any right of set-off, lien or similar claim in respect of the money; and
 - (b) that it shall not be liable to account to the Issuer for any interest on the money.

Money held by it need not be segregated, except as required by law.

- 18.2 In acting under this Agreement and in connection with the Notes or Covered Bonds, each Paying Agent shall act solely as an agent of the Issuer and will not assume any obligations towards or

relationship of agency or trust for or with any of the owners or holders of the Notes, Covered Bonds, Coupons or Talons.

- 18.3 Each Paying Agent undertakes to the Issuer to perform its duties, and shall be obliged to perform the duties and only the duties, specifically stated in this Agreement (including Schedule 7 in the case of the Agent), the Conditions and the Procedures Memorandum, and no implied duties or obligations shall be read into any of those documents against any Paying Agent, other than the duty to act honestly and in good faith and to exercise the diligence of a reasonably prudent agent in comparable circumstances. Each of the Paying Agents (other than the Agent) agrees that if any information that is required by the Agent to perform the duties set out in Schedule 7 becomes known to it, it will promptly provide such information to the Agent.
- 18.4 The Agent may consult with legal and other professional advisers and the opinion of the advisers shall be full and complete protection in respect of any action taken, omitted or suffered under this Agreement in good faith and in accordance with the opinion of the advisers.
- 18.5 Each Paying Agent shall be protected and shall incur no liability in respect of any action taken, omitted or suffered in reliance on any instruction from the Issuer or any document which it believes, acting in good faith, to be genuine and to have been delivered by the proper party or on written instructions from the Issuer.
- 18.6 Any Paying Agent and its officers, directors and employees may become the owner of, and/or acquire any interest in, any Notes, Covered Bonds, Coupons or Talons with the same rights that they would have had if the Paying Agent concerned were not appointed under this Agreement, and may engage or be interested in any financial or other transaction with the Issuer and may act on, or as depositary, trustee or agent for, any committee or body of holders of Notes, Covered Bonds or Coupons or in connection with any other obligations of the Issuer as freely as if the Paying Agent were not appointed under this Agreement.
- 18.7 The Issuer shall provide the Agent with a certified copy of the list of persons authorised to execute documents and take action on its behalf in connection with this Agreement and shall notify the Agent immediately in writing if any of those persons ceases to be authorised or if any additional person becomes authorised together, in the case of an additional authorised person, with evidence satisfactory to the Agent that the person has been authorised.
- 18.8 Except as otherwise permitted in the Conditions or as ordered by a court of competent jurisdiction or as required by law or applicable regulations, the Issuer and each of the Paying Agents shall be entitled to treat the bearer of any Note, Covered Bond or Coupon as the absolute owner of it (whether or not it is overdue and notwithstanding any notice of ownership or writing on it or notice of any previous loss or theft of it).
- 18.9 The amount of the Programme may be increased by the Issuer in accordance with the procedure set out in the Programme Agreement. Upon any increase being effected, all references in this Agreement to the amount of the Programme shall be deemed to be references to the increased amount.
- 18.10 Each party to this Agreement shall, within ten business days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations or any Notes or Covered Bonds as that other party reasonably requests for the purposes of that other party's compliance with Applicable Law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; provided, however, that no party shall be required to provide any forms, documentation or other information

pursuant to this subclause 18.10 to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality. For the purposes of this subclause 18.10, **Applicable Law** shall be deemed to include (i) any rule or practice of any Authority by which any party to this Agreement is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any Authority and any party to this Agreement that is customarily entered into by institutions of a similar nature. In this subclause 18.10 **Applicable Law** and **Authority** shall otherwise have the meanings set out in subclause 6.12.

- 18.11 The Agent is entitled, without incurring liability, to take no action in the event that it receives instructions which are unclear, equivocal, or conflicting instructions or in order to comply with any Applicable Law. In this subclause 18.11 **Applicable Law** shall have the meaning set out in subclause 6.12.
- 18.12 Notwithstanding anything else herein contained, the Agent may refrain without liability from doing anything that would or might in its opinion be contrary to the laws of any state or jurisdiction where the Agent or any affiliate is based or to whose jurisdiction the Agent or any affiliate is subject (including but not limited to the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may, in connection with exercising its powers and duties under this Agreement, without liability do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

19. COMMUNICATIONS BETWEEN THE PARTIES

A copy of all communications relating to the subject matter of this Agreement between the Issuer and any Paying Agent (other than the Agent) shall be sent to the Agent.

20. CHANGES IN PAYING AGENTS

- 20.1 The Issuer agrees that, for so long as any Note or Covered Bond is outstanding, or until moneys for the payment of all amounts in respect of all outstanding Notes or Covered Bonds have been made available to the Agent and have been returned to the Issuer, as provided in this Agreement:
- (a) so long as any Notes or Covered Bonds are listed on any Stock Exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent, which may be the Agent, with a specified office in the place required by the rules and regulations of the relevant Stock Exchange or any other relevant authority;
 - (b) there will at all times be an Agent; and
 - (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall immediately appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4 of both the Note Conditions and the Covered Bond Conditions. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency (as provided in subclause 20.5) when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice shall have been given to the Noteholders and Covered Bondholders in accordance with Condition 13 of the Note Conditions and Condition 12 of the Covered Bond Conditions, as applicable.

- 20.2 The Agent may (subject as provided in subclause 20.4) at any time resign by giving at least 45 days' written notice to the Issuer specifying the date on which its resignation shall become effective.
- 20.3 The Agent may (subject as provided in subclause 20.4) be removed at any time by the Issuer on at least 45 days' notice in writing from the Issuer specifying the date when the removal shall become effective.
- 20.4 Any resignation under subclause 20.2 or removal of the Agent under subclauses 20.3 or 20.5 shall only take effect upon the appointment by the Issuer of a successor Agent and (other than in cases of insolvency of the Agent) on the expiry of the notice to be given under clause 22. The Issuer agrees with the Agent that if, by the day falling 10 days before the expiry of any notice under subclauses 20.2, 20.3 or 20.5, the Issuer has not appointed a successor Agent then the Agent shall be entitled, on behalf of the Issuer, to appoint in its place as a successor Agent a reputable financial institution of good standing which the Issuer shall approve.
- 20.5 In case at any time any Paying Agent resigns, or is removed, or becomes incapable of acting or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or a substantial part of its property, or admits in writing its inability to pay or meet its debts as they mature or suspends payment of its debts, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if a receiver of it or of all or a substantial part of its property is appointed or if any officer takes charge or control of it or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, a successor Paying Agent which shall be a reputable financial institution of good standing may be appointed by the Issuer. Upon the appointment of a successor Paying Agent and acceptance by it of its appointment and (other than in case of insolvency of the Paying Agent when it shall be of immediate effect) upon expiry of the notice to be given under clause 22, the Paying Agent so superseded shall cease to be a Paying Agent under this Agreement.
- 20.6 Subject to subclause 20.1, the Issuer may, after prior consultation with the Agent, terminate the appointment of any of the other Paying Agents at any time and/or appoint one or more further or other Paying Agents by giving to the Agent and to the relevant other Paying Agent at least 45 days' notice in writing to that effect (other than in the case of insolvency).
- 20.7 Subject to subclause 20.1, all or any of the Paying Agents (other than the Agent) may resign their respective appointments under this Agreement at any time by giving the Issuer and the Agent at least 45 days' written notice to that effect.
- 20.8 Notwithstanding any other provision in this Agreement, if the Issuer determines, in its sole discretion, that it will be required to withhold or deduct any FATCA Withholding in connection with any payments due on the Notes or Covered Bonds and such FATCA Withholding would not have arisen but for the Paying Agent not being or having ceased to be a person to whom payments are free from FATCA Withholding, the Issuer will be entitled to terminate the Paying Agent without notice and such termination will be effective from any such time specified in writing to such Paying Agent.
- 20.9 Upon its resignation or removal becoming effective, a Paying Agent shall:
- (a) in the case of the Agent, immediately transfer all moneys and records held by it under this Agreement to the successor Agent, unless prohibited by law or regulation from doing so; and

- (b) be entitled to the payment by the Issuer of the commissions, fees and expenses payable in respect of its services under this Agreement before termination in accordance with the terms of clause 15.

20.10 Upon its appointment becoming effective, a successor or new Paying Agent shall, without any further action, become vested with all the authority, rights, powers, duties and obligations of its predecessor or, as the case may be, a Paying Agent with the same effect as if originally named as a Paying Agent under this Agreement.

21. MERGER AND CONSOLIDATION

Any corporation into which any Paying Agent may be merged or converted, or any corporation with which a Paying Agent may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which a Paying Agent shall be a party, or any corporation to which a Paying Agent shall sell or otherwise transfer all or substantially all of its assets shall, on the date when the merger, conversion, consolidation or transfer becomes effective and to the extent permitted by any applicable laws, become the successor Paying Agent under this Agreement without the execution or filing of any paper or any further act on the part of the parties to this Agreement, unless otherwise required by the Issuer and after the said effective date all references in this Agreement to the relevant Paying Agent shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion, consolidation or transfer shall immediately be given to the Issuer by the relevant Paying Agent.

22. NOTIFICATION OF CHANGES TO PAYING AGENTS

Following receipt of notice of resignation from a Paying Agent and immediately after appointing a successor or new Paying Agent or on giving notice to terminate the appointment of any Paying Agent, the Agent (on behalf of and at the expense of the Issuer) shall give or cause to be given not more than 45 days' nor less than 30 days' notice of the fact to the Noteholders and Covered Bondholders in accordance with the Conditions.

23. CHANGE OF SPECIFIED OFFICE

If any Paying Agent determines to change its specified office it shall give to the Issuer and the Agent written notice of that fact giving the address of the new specified office which shall be in the same city and stating the date on which the change is to take effect, which shall not be less than 45 days after the notice. The Agent (on behalf and at the expense of the Issuer) shall within 15 days of receipt of the notice (unless the appointment of the relevant Paying Agent is to terminate pursuant to clause 20 on or prior to the date of the change) give or cause to be given not more than 45 days' nor less than 30 days' notice of the change to the Noteholders and Covered Bondholders in accordance with the Conditions.

The initial telephone number, fax number, email address and person or department so specified by each party are set out in the Procedures Memorandum.

24.2 A communication shall be deemed received (if by fax) when an acknowledgement of receipt is received, (if by email) when the relevant receipt of such communication having been read is received

by the sender of the original email, or where no read receipt is requested by the sender, at the time of sending, provided that no delivery failure notification is received by the sender within 24 hours of sending such communication, (if by telephone) when made or (if by letter) when delivered, in each case in the manner required by this clause. However, if a communication is received after business hours on any business day or on a day which is not a business day in the place of receipt it shall be deemed to be received and become effective at the opening of business on the next business day in the place of receipt. Every communication shall be irrevocable save in respect of any manifest error in it.

For the purpose of this clause 26, **rate of exchange** means the rate at which the relevant Paying Agent is able on the London foreign exchange market on the relevant date to purchase the required currency with the other currency and shall take into account any premium and other reasonable costs of exchange.

Any modification so made shall be binding on the Noteholders, Covered Bondholders and the Couponholders and shall be notified to the Noteholders and Covered Bondholders in accordance with Condition 13 of the Note Conditions and Condition 12 of the Covered Bond Conditions, as applicable, as soon as practicable after it has been agreed.

Nothing in this clause 30 shall affect the right to serve process in any other manner permitted by law.

31. GENERAL

- 6.3 The termination of the appointment of the Calculation Agent under subclauses 6.1 or 6.2 shall not entitle the Calculation Agent to any amount by way of compensation but shall be without prejudice to any amount then accrued due.

Following receipt of a notice of resignation from the Calculation Agent, the Issuer shall promptly give notice of the resignation to the holders of the Relevant Notes and the Relevant Covered Bonds, in accordance with the Conditions.

- 6.8 Any corporation into which the Calculation Agent may be merged or converted, or any corporation with which the Calculation Agent may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Calculation Agent shall be a party, or any corporation to which the Calculation Agent shall sell or otherwise transfer all or substantially all of its assets shall, on the date when the merger, consolidation or transfer becomes effective and to the extent permitted by any applicable laws, become the successor Calculation Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties to this Agreement, unless otherwise required by the Issuer, and after the said effective date all references in this Agreement to the Calculation Agent shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion, consolidation or transfer shall immediately be given to the Issuer and the Agent by the Calculation Agent.

PART 1

TERMS AND CONDITIONS OF THE NOTES

This Note is one of a Series (as defined below) of Notes issued by Aktia Bank plc (the **Issuer**) pursuant to the Agency Agreement (as defined below).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note; and
- (c) any definitive Notes issued in exchange for a Global Note.

The Notes and the Coupons (as defined below) have the benefit of an Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) dated 10 July 2025 and made between the Issuer, Citibank, N.A., London Branch as issuing and principal paying agent and agent bank (the **Agent**, which expression shall include any successor agent) and the other paying agents named therein (together with the Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents).

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which complete these Terms and Conditions (the **Conditions**). References to the **applicable Final Terms** are to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note. The expression **Prospectus Regulation** means Regulation (EU) 2017/1129, as amended.

Interest bearing definitive Notes have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which (a) are expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions which are the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

The Noteholders and the Couponholders are entitled to the benefit of the Deed of Covenant (such Deed of Covenant as modified and/or supplemented and/or restated from time to time, the **Deed of Covenant**) dated

10 July 2025 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement and the Deed of Covenant are (i) available for inspection or collection during normal business hours at the specified office of each of the Paying Agents or (ii) may be provided by email to a Noteholder following their prior written request to any Paying Agents and provision of proof of holding and identity (in a form satisfactory to the relevant Paying Agent). If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange, the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.luxse.com). If this Note is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation, the applicable Final Terms will only be obtainable by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the Issuer or, as the case may be, the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

In the Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

1. FORM, DENOMINATION AND TITLE

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the currency (the **Specified Currency**) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The Issuer, the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records

of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.  - (i) be subordinated to the claims of (A) creditors in respect of excluded liabilities referred to in Article 72a(2) of the CRR (provided that such claims are not by mandatory provisions of law ranked, or by their terms expressed to rank, *pari passu* with Senior Non-Preferred Obligations), (B) all depositors of the Issuer and (C) all other unsubordinated creditors of the Issuer that are not creditors in respect of Senior Non-Preferred Obligations;

 - (iii) rank senior to the Issuer's ordinary shares and any instruments classified as Common Equity Tier 1 Capital or Additional Tier 1 Capital or other securities of the Issuer which by law rank, or by their terms are expressed to rank, junior to the Subordinated Notes,

subject, in all cases, to mandatory provisions of Finnish law, including but not limited to the Finnish implementation of Article 48(7) of the BRRD in item 6 of Chapter 1, Section 4a, Subsection 1 of the Finnish Act on Credit Institutions (Fi: *laki luottolaitostoiminnasta, 610/2014*, as amended) to the effect that claims resulting from items qualifying (whether in whole or in part) as own funds of the Issuer have lower priority ranking than any claim that results from an item which does not qualify (whether in whole or in part) as own funds of the Issuer.

The Issuer reserves the right to issue further subordinated notes and other subordinated obligations in the future, which may rank *pari passu* with or in priority to the Subordinated Notes.

Subordinated Notes will constitute Debentures (*debentuuri*) for the purposes of Section 34, Subsection 2 of the Finnish Promissory Notes Act (*Velkakirjalaki*) (622/1947) (as amended).

- (a) if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest

Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

(ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

(A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

(B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

(b) if "30/360" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In the Conditions:

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on Fixed Reset Notes

(a) Accrual of Interest

Each Fixed Reset Note bears interest:

(i) from (and including) the Interest Commencement Date to (but excluding) the First Reset Date at the rate per annum equal to the Initial Interest Rate;

(ii) from (and including) the First Reset Date to (but excluding) the Second Reset Date or, if none, the Maturity Date (the **First Reset Period**) at the rate per annum equal to the First Reset Rate; and

(iii) if applicable, from (and including) the Second Reset Date to (but excluding) the first Subsequent Reset Date (if any), and each successive period from (and including) any Subsequent Reset Date to (but excluding) the next succeeding Subsequent Reset Date (if any) (each a **Subsequent Reset Period**) at the rate per annum equal to the relevant Subsequent Reset Rate,

(in each case rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) (each a **Rate of Interest**) payable, in each case, in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

The provisions of this Condition 4 shall apply, as applicable, in respect of any determination by the Agent or the Calculation Agent, as applicable, of the Rate of Interest for a Reset Period in accordance with this Condition 4.2 as if the Fixed Reset Notes were Floating Rate Notes. The Rate of Interest for each Reset Period shall otherwise be determined by the Agent or the Calculation Agent, as applicable, on the relevant Reset Determination Date in accordance with the provisions of this Condition 4.2. Once the Rate of Interest is determined for a Reset Period, the provisions of Condition 4.1 shall apply to Fixed Reset Notes, as applicable, as if the Fixed Reset Notes were Fixed Rate Notes.

(b) Reset Rate Relevant Screen Page Fallback

This Condition 4.2(b) applies only where Mid-Swap Rate is specified in the applicable Final Terms as the Reset Reference Rate.

If, on any Reset Determination Date, the Relevant Screen Page is not available or the relevant rate(s) do(es) not appear on the Relevant Screen Page at the relevant time on such Reset Determination Date, the Rate of Interest applicable to the Notes in respect of each Fixed Interest Period falling in the relevant Reset Period will, subject as provided in Condition 4.5 (if applicable), be determined by the Agent or the Calculation Agent, as applicable, on the following basis: (1) the Issuer shall request each of the Reference Banks to provide it with its Reset Period Mid-Swap Rate Quotation at the Relevant (Reset) Time on the Reset Determination Date in question and the Issuer will provide each such Reset Period Mid-Swap Rate Quotation to the Agent or the Calculation Agent, as applicable; (2) if two or more of the Reference Banks provide the Issuer with Reset Period Mid-Swap Rate Quotations, the First Reset Rate or the Subsequent Reset Rate (as applicable) for the relevant Reset Period shall be the sum of the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the Reset Period Mid-Swap Rate Quotations and the applicable Reset Margin, all as determined by the Agent or the Calculation Agent, as applicable; (3) if only one of the Reference Banks provides the Issuer with a Reset Period Mid-Swap Rate Quotation, the First Reset Rate or the Subsequent Reset Rate (as applicable) for the relevant Reset Period shall be the sum of the Reset Period Mid-Swap Rate Quotation so provided and the applicable Reset Margin, all as determined by the Agent or the Calculation Agent, as applicable; and (4) if none of the Reference Banks provides the Issuer with a Reset Period Mid-Swap Rate Quotation as provided in the foregoing provisions of this paragraph, the First Reset Rate or the Subsequent Reset Rate (as applicable) for the relevant Reset Period shall be the sum, as determined by the Agent or the Calculation Agent (as applicable) taking into consideration all available information that it in good faith deems relevant, of:

- (i) in the case of the first Reset Determination Date only:

 - (C) if Last Observable Mid-Swap Rate Final Fallback is specified in the applicable Final Terms as being applicable, (1) the last observable rate for swaps in the Specified

Currency with a term equal to the relevant Reset Period which appears on the Relevant Screen Page and (2) the Reset Margin,

provided that:

- (I) if the application of (i)(B) or (i)(C) could, in the determination of the Issuer, reasonably be expected to prejudice the qualification of the Notes as (a) in the case of Subordinated Notes, Tier 2 Capital of the Issuer and/or (b) in the case of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, MREL Eligible Liabilities (as defined in Condition 6.6), then (i)(A) above will apply; and
 - (II) if the application of (i)(B) or (i)(C) could, in the determination of the Issuer, reasonably be expected to result in the Relevant Resolution Authority or the Relevant Regulator (as applicable) treating the next Interest Payment Date or Reset Date, as applicable, as the effective maturity of the Notes, rather than the relevant Maturity Date, then (i)(A) above will apply; and
- (ii) in the case of any Reset Determination Date other than the first Reset Determination Date:
- (A) if Subsequent Reset Rate Mid-Swap Rate Final Fallback is specified in the applicable Final Terms as being applicable, (1) the Reset Reference Rate determined on the last preceding Reset Determination Date and (2) the Reset Margin; or
 - (B) if Subsequent Reset Rate Last Observable Mid-Swap Rate Final Fallback is specified in the applicable Final Terms as being applicable, (1) the last observable rate for swaps in the Specified Currency with a term equal to the relevant Reset Period which appears on the Relevant Screen Page and (2) the Reset Margin,

provided that:

- (I) if the application of (ii)(B) could, in the determination of the Issuer, reasonably be expected to prejudice the qualification of the Notes as (a) in the case of Subordinated Notes, Tier 2 Capital of the Issuer and/or (b) in the case of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, MREL Eligible Liabilities, then (ii)(A) above will apply; and
- (II) if the application of (ii)(B) could, in the determination of the Issuer, reasonably be expected to result in the Relevant Resolution Authority or the Relevant Regulator (as applicable) treating the next Interest Payment Date or Reset Date, as applicable, as the effective maturity of the Notes, rather than the relevant Maturity Date, then (ii)(A) above will apply.

(c) **Reset Reference Rate Conversion**

If Reset Reference Rate Conversion is specified in the applicable Final Terms as being applicable, the First Reset Rate and, if applicable, each Subsequent Reset Rate will be converted from the Original Reset Reference Rate Payment Basis to a basis which matches the per annum frequency of Interest Payment Dates in respect of the Notes (such calculation to be determined by the Issuer in conjunction with a leading financial institution selected by it).

4.3 Interest on Floating Rate Notes

(a) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
 - (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement

Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Notes become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.3(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, **Business Day** means a day which is:

- I. a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre (other than T2) specified in the applicable Final Terms;
- II. if T2 is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer System or any successor to or replacement for that system (**T2**) is open; and
- III. either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which T2 is open.

(b) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified below.

Screen Rate Determination for Floating Rate Notes

The Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either EURIBOR, STIBOR or NIBOR as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or each replacement page on that service which displays the information) as at 11.00 a.m. (Brussels time, in the case of EURIBOR or Stockholm time, in the case of STIBOR) or 12.00 noon (Oslo time, in the case of NIBOR) (such time, the **Specified Time**) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 4.3(b)(A), no offered quotation appears or, in the case of Condition 4.3(b)(B), fewer than three offered quotations appear, in each case as at the Specified Time, the Issuer shall request each of the Reference Banks to provide it with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question and the Issuer will provide each quotation to the Agent or the Calculation Agent, as applicable. If two or more of the Reference Banks provide the Issuer with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable.

If on any Interest Determination Date one only or none of the Reference Banks provides the Issuer with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent or the Calculation Agent, as applicable, determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to the Issuer by the Reference Banks or any two or more of them and subsequently communicated to the Agent or the Calculation Agent, as applicable by the Issuer, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Issuer with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the

Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Issuer (and the Issuer subsequently informs the Agent or the Calculation Agent, as applicable) it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In these Conditions, **Reference Banks** means, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Stockholm inter-bank market and, in the case of a determination of NIBOR, the principal Oslo office of four major banks in the Norwegian inter-bank market, in each case selected by the Issuer.

(c) **Minimum Rate of Interest and/or Maximum Rate of Interest**

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) **Determination of Rate of Interest and calculation of Interest Amounts**

The Agent or the Calculation Agent, as applicable, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent or the Calculation Agent, as applicable, will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.3:

- (i) if "Actual/Actual (ISDA)" or "Actual/Actual" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if "Actual/365 (Sterling)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if "30E/360 (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(e) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent or the Calculation Agent, as applicable, by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of

time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent or the Calculation Agent, as applicable, in consultation with the Issuer shall determine such rate at such time and by reference to such sources as both determine appropriate.

Designated Maturity means the period of time designated in the Reference Rate.

(f) **Notification of Rate of Interest and Interest Amounts**

The Agent or the Calculation Agent, as applicable, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(g) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.3 by the Agent or the Calculation Agent, as applicable, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent or the Calculation Agent, as applicable, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.4 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

4.5 Benchmark Discontinuation

This Condition 4.5 is applicable if the Notes are Fixed Reset Notes or Floating Rate Notes.

Notwithstanding the provisions above in Conditions 4.2 or 4.3, if a Benchmark Event occurs in relation to an Original Reference Rate at any time when these Conditions provide for any remaining

Rate of Interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions of this Condition 4.5 shall apply.

(a) **Independent Adviser**

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.5(b)) and, in either case, the applicable Adjustment Spread (in accordance with Condition 4.5(c)) and any Benchmark Amendments (in accordance with Condition 4.5(d)).

An Independent Adviser appointed pursuant to this Condition 4.5 shall act in good faith and in a commercially reasonable manner and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Agent, the Calculation Agent, the other Paying Agents, the Noteholders or the Couponholders for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4.5.

(b) **Successor Rate or Alternative Rate**

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

- (i) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4.5(c), if applicable) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.5); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4.5(c), if applicable) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.5).

(c) **Adjustment Spread**

If the Issuer, following consultation with the Independent Adviser and acting in good faith and a commercially reasonable manner, determines the quantum of, or a formula or methodology for determining, an Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(d) **Benchmark Amendments**

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4.5 and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the **Benchmark Amendments**) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.5(f), without any requirement for the consent or approval of Noteholders or Couponholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

Notwithstanding any other provision of this Condition 4.5, no Successor Rate, Alternative Rate or Adjustment Spread will be adopted, nor will any other amendment to these Conditions be made to effect the Benchmark Amendments, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to:

- (A) prejudice the qualification of the Notes as (I) in the case of Subordinated Notes, Tier 2 Capital of the Issuer and/or (II) in the case of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, MREL Eligible Liabilities; and/or
- (B) result in the Relevant Resolution Authority or the Relevant Regulator (as applicable) treating the next Interest Payment Date or Reset Date, as applicable, as the effective maturity of the Notes, rather than the relevant Maturity Date.

(e) Failure to appoint an Independent Adviser

If the Issuer is unable to appoint an Independent Adviser in accordance with this Condition 4.5, the Issuer, acting in good faith and in a commercially reasonable manner, may still determine (i) a Successor Rate or Alternative Rate and (ii) in either case, the applicable Adjustment Spread and any Benchmark Amendments in accordance with this Condition 4.5 (with the relevant provisions of this Condition 4.5 applying *mutatis mutandis* to allow such determinations to be made by the Issuer without consultation with an Independent Adviser).

Where this Condition 4.5(e) applies, without prejudice to the definitions set out in Condition 4.5(i), for the purposes of determining any Successor Rate, Alternative Rate, Adjustment Spread and/or Benchmark Amendments (as the case may be), the Issuer will take into account any relevant and applicable market precedents and customary market usage as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets.

(f) Notices

The Issuer will notify the Agent, the Calculation Agent, the other Paying Agents and, in accordance with Condition 13, the Noteholders promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4.5. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) specified in such notice will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate, the applicable Adjustment Spread and the Benchmark Amendments (if any)) be binding on the Issuer, the Calculation Agent, the Agent, the other Paying Agents, the Noteholders and the Couponholders as of their effective date.

(g) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Conditions 4.5(a) to (f) inclusive, the Original Reference Rate and the fallback provisions provided for in Condition 4.2 or Condition 4.3(b), as applicable, will continue to apply unless and until a Benchmark Event has occurred in respect of the Original Reference Rate and the Agent or (if applicable) the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and (in either case) the applicable Adjustment Spread and any Benchmark Amendments, in accordance with Condition 4.5(f).

(h) **Fallbacks**

If, following the occurrence of a Benchmark Event and in relation to the determination of an applicable Rate of Interest on the relevant Interest Determination Date or an applicable Reset Rate on the relevant Reset Determination Date, as the case may be, no Successor Rate or Alternative Rate (as applicable) is determined and notified to the Agent or (if applicable) the Calculation Agent, in each case pursuant to this Condition 4.5, prior to such Interest Determination Date or Reset Determination Date (as applicable), the Original Reference Rate will continue to apply for the purposes of determining such Rate of Interest on such Interest Determination Date or such Reset Rate on such Reset Determination Date (as applicable), with the effect that the fallback provisions provided for in Condition 4.2 or Condition 4.3(b) will (if applicable) continue to apply to such determination.

For the avoidance of doubt, this Condition 4.5(h) shall apply to the determination of the Rate of Interest on the relevant Interest Determination Date or of the Reset Rate on the relevant Reset Determination Date (as applicable) only, and the Rate of Interest applicable to any subsequent Interest Period(s) or Reset Period(s) is subject to the subsequent operation of, and to adjustment as provided in, this Condition 4.5.

(i) **Definitions**

In this Condition 4.5, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

Adjustment Spread means either (x) a spread (which may be positive, negative or zero), or (y) a formula or methodology for calculating a spread, in either case, which is to be applied to the relevant Successor Rate or Alternative Rate (as applicable) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (ii) in the case of an Alternative Rate or (where (i) above does not apply) in the case of a Successor Rate, is in customary market usage in the international debt capital markets for transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (iii) if neither (i) nor (ii) above applies, the Issuer determines, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be);

Alternative Rate means an alternative to the Original Reference Rate which the Issuer, following consultation with the Independent Adviser, determines in accordance with Condition 4.5(b) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for debt securities in the same Specified Currency as the Notes and (i) in the case of Notes which are Floating Rate Notes, with an interest period of comparable duration to the relevant Interest Period or (ii) in the case of Notes which are Fixed Reset Notes, with an interest period of comparable duration to the term of the relevant Mid-Swap Floating Leg Maturity, or (in either case) if the Issuer, following consultation with the Independent Adviser, determines that there is no such rate, such other rate as the Issuer, following consultation with the Independent Adviser, determines in its discretion is most comparable to the Original Reference Rate;

Benchmark Amendments has the meaning given to it in Condition 4.5(d);

Benchmark Event means, with respect to an Original Reference Rate:

- (i) the Original Reference Rate ceasing to be published for at least five Business Days or ceasing to exist or be administered; or
- (ii) the later of (A) the making of a public statement by or on behalf of the administrator of the Original Reference Rate that it will, by a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (B) the date falling six months prior to the specified date referred to in (ii)(A); or
- (iii) the making of a public statement by or on behalf of the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (iv) the later of (A) the making of a public statement by or on behalf of the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, by a specified date, be permanently or indefinitely discontinued and (B) the date falling six months prior to the specified date referred to in (iv)(A); or
- (v) the later of (A) the making of a public statement by or on behalf of the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case on or before a specified date, and (B) the date falling six months prior to the specified date referred to in (v)(A); or
- (vi) it has or will prior to the next Interest Determination Date or Reset Determination Date, as applicable, become unlawful for the Agent, any other Paying Agent, the Calculation Agent or the Issuer to calculate any payments due to be made to any Noteholder or Couponholder using the Original Reference Rate; or
- (vii) the making of a public statement by or on behalf of the supervisor of the administrator of such Original Reference Rate announcing that such Original Reference Rate is no longer representative or may no longer be used; or
- (viii) the later of (A) the making of a public statement by or on behalf of the supervisor of the administrator of such Original Reference Rate that, in the view of such supervisor, such Original Reference Rate will, as of a specified date, no longer be representative of its underlying market and (B) the date falling six months prior to the specified date referred to in (viii)(A);

Independent Adviser means an independent financial institution of international repute or an independent financial adviser of recognised standing with appropriate expertise in the international debt capital markets appointed by the Issuer at its own expense under Condition 4.5(a);

Original Reference Rate means the benchmark or screen rate (as applicable) originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) in respect of any Interest Period(s) or Reset Period(s) (provided that if, following one or more Benchmark Events, such originally specified benchmark or screen rate (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or

Alternative Rate, the term "Original Reference Rate" shall include any such Successor Rate or Alternative Rate);

Relevant Nominating Body means, in respect of an Original Reference Rate:

- (i) the central bank for the currency to which the Original Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate; or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (A) the central bank for the currency to which the Original Reference Rate relates, (B) any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate, (C) a group of the aforementioned central banks or other supervisory authorities or (D) the Financial Stability Board or any part thereof; and

Successor Rate means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

5. PAYMENTS

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment or other laws and regulations to which the Issuer or its Paying Agents are subject, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

5.2 Presentation of definitive Notes and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in Condition 5.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Fixed Reset Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

5.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

5.4 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for their share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or

interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.5 Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 8) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in the case of Notes in definitive form only, the relevant place of presentation;
 - (ii) each Additional Financial Centre (other than T2) specified in the applicable Final Terms;
- (b) if T2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which T2 is open; and
- (c) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which T2 is open.

5.6 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;

- (e) the Residual Call Early Redemption Amount (if any) of the Notes; and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. REDEMPTION AND PURCHASE

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

6.2 Redemption for tax reasons

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 6.2 will be redeemed at their Early Redemption Amount referred to in Condition 6.7 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the option of the Issuer

- (a) **Issuer Call**

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6.3(a) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

(b) **Issuer Residual Call**

If Issuer Residual Call is specified as being applicable in the applicable Final Terms and, at any time, 75 per cent. (or such other percentage as may be specified in the applicable Final Terms as being the Residual Call Threshold) or more of the aggregate nominal amount of the Series originally issued has been redeemed or purchased and cancelled by the Issuer in accordance with this Condition 6, then the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all (but not some only) of the Notes then outstanding at any time (if the Note is not a Floating Rate Note) or on any Interest Payment Date (if the Note is a Floating Rate Note) at the Residual Call Early Redemption Amount specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant date of redemption.

6.4 Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling

within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Notice**) and in which the holder must specify a bank account to which payment is to be made under this Condition and the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on their instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg by a holder of any Note pursuant to this Condition 6.4 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.4 and instead to declare such Note forthwith due and payable pursuant to Condition 9.

6.5 Redemption at the option of the Issuer in the case of a Capital Event

This Condition 6.5 applies only in the case of Notes specified in the applicable Final Terms as being Subordinated Notes, and references to **Notes** in this Condition 6.5 shall be construed accordingly.

If a Capital Event occurs, the Issuer may, within 90 calendar days of the occurrence of the relevant Capital Event, at its option, give notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable) that all (but not some only) of the outstanding Notes shall be redeemed:

- (a) in the case of all Notes other than Floating Rate Notes, at any time within the period of not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms; or
- (b) in the case of Floating Rate Notes, (1) on any Interest Payment Date falling within the period of not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms from the date of such notice or (2) if there is no Interest Payment Date falling within (1) above, on the first Interest Payment Date to occur after the expiry of 60 days from the date of such notice,

in each case, at the Early Redemption Amount referred to in Condition 6.7 below, together with accrued interest (if any) thereon. Upon the expiry of such notice, the Issuer shall redeem the Notes.

In these Conditions:

a **Capital Event** means the determination by the Issuer, after consultation with the Relevant Regulator, that as a result of a change in Finnish law or Applicable Banking Regulations or any change in the official application or interpretation thereof becoming effective on or after the Issue Date of the first Tranche of the Notes, which change was not reasonably foreseeable by the Issuer as at the Issue Date of the Notes, the aggregate outstanding nominal amount of the Notes is fully or, to the extent permitted by the Applicable Banking Regulations, partially excluded from inclusion in the Tier 2 Capital of the Issuer and/or the Group (other than as a result of any applicable limitation on the amount of such capital as applicable to the Issuer and/or the Group); and

Relevant Regulator means the European Central Bank or the Finnish Financial Supervisory Authority, as applicable, or such other or successor authority having primary bank supervisory authority with respect to prudential matters in relation to the Issuer and/or the Group.

6.6 Redemption at the option of the Issuer in the case of an MREL Disqualification Event

This Condition 6.6 applies only in the case of Notes specified in the applicable Final Terms as being Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, and references to **Notes** in this Condition 6.6 shall be construed accordingly.

If (A) MREL Disqualification Event Redemption Option is specified in the applicable Final Terms as being applicable and (B) an MREL Disqualification Event occurs, the Issuer may, within 90 calendar days of the occurrence of the relevant MREL Disqualification Event, at its option, give notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable) that all (but not some only) of the outstanding Notes shall be redeemed:

- (a) in the case of all Notes other than Floating Rate Notes, at any time within the period of not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms; or
- (b) in the case of Floating Rate Notes, (1) on any Interest Payment Date falling within the period of not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms from the date of such notice or (2) if there is no Interest Payment Date falling within (1) above, on the first Interest Payment Date to occur after the expiry of 60 days from the date of such notice,

in each case, at the Early Redemption Amount referred to in Condition 6.7 below, together with accrued interest (if any) thereon. Upon the expiry of such notice, the Issuer shall redeem the Notes.

In these Conditions:

an **MREL Disqualification Event** means the determination by the Issuer that, as a result of a change in Applicable Banking Regulations becoming effective on or after the Issue Date of the first Tranche of the Notes, which change was not reasonably foreseeable by the Issuer as at such Issue Date, the whole or any part of the aggregate outstanding nominal amount of the Notes at any time is not included in, ceases or (in the opinion of the Issuer) will cease to count towards the Issuer's and/or the Group's MREL Eligible Liabilities; provided that an MREL Disqualification Event shall not occur if such whole or part of the aggregate outstanding nominal amount of the Notes is not included in, ceases or (in the opinion of the Issuer) will cease to count towards such eligible liabilities (or any equivalent or successor term) due to (i) the remaining maturity of the Notes being less than any minimum period prescribed by any applicable eligibility criteria under the relevant Applicable Banking Regulations or (ii) any applicable limits on the amount of eligible liabilities (or any equivalent or successor term) under the relevant Applicable Banking Regulations being exceeded;

MREL Eligible Liabilities means instruments which are available to meet any MREL Requirement (however called or defined by then Applicable Banking Regulations) of the Issuer and/or the Group under Applicable Banking Regulations (which may include, without limitation, Subordinated Notes); and

MREL Requirement means the minimum requirement for own funds and eligible liabilities which is or, as the case may be, will be, applicable to the Issuer and/or the Group.

6.7 Early Redemption Amounts

For the purpose of Condition 6.2, Condition 6.5, Condition 6.6 and Condition 9, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Note with a Final Redemption Amount equal to the Issue Price of the first Tranche of the Series, at the Final Redemption Amount thereof;
- (b) in the case of a Note (other than a Zero Coupon Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price of the first Tranche of the Series, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (c) in the case of a Zero Coupon Note, at an Early Redemption Amount calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

6.8 Purchases

The Issuer or any Subsidiary of the Issuer may (subject, in the case of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes and Subordinated Notes, to Condition 6.11) purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

6.9 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to Condition 6.8 above (together with all unmatured

Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.10 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6.1, 6.2, 6.3, 6.4, 6.5 or 6.6 above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6.7(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

6.11 Restrictions of Early Redemption, Purchase or Substitution or Variation of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes and Subordinated Notes

In the case of Notes specified in the applicable Final Terms as being Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, notwithstanding any other provision in this Condition 6, the Issuer may redeem or purchase such Notes pursuant to Conditions 6.2, 6.3, 6.4, 6.5, 6.6 or 6.8 or substitute or vary such Notes pursuant to Condition 6.12 (and in any such case, where applicable, give notice thereof to the holders) only in compliance with Applicable Banking Regulations and subject to obtaining the prior approval of the Relevant Regulator (in the case of Subordinated Notes) or the Relevant Resolution Authority (in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes).

Any refusal by the Relevant Regulator (in the case of Subordinated Notes) or the Relevant Resolution Authority (in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes) to grant its approval as described above will not constitute an event of default under these Conditions.

6.12 Substitution or Variation of a Senior Preferred MREL Eligible Note, a Senior Non-Preferred Note or a Subordinated Note

This Condition 6.12 is applicable in relation to Notes specified in the applicable Final Terms as Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, and references to **Notes** in this Condition 6.12 shall be construed accordingly.

If Substitution and Variation is specified in the applicable Final Terms as being applicable:

- (A) in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes, (I) if an MREL Disqualification Event has occurred and is continuing, or (II) in order to ensure the effectiveness and enforceability of Condition 17.4; or
- (B) in the case of Subordinated Notes, (I) if a Capital Event or an MREL Disqualification Event has occurred and is continuing, or (II) in order to ensure the effectiveness and enforceability of Condition 17.4,

the Issuer may, upon the expiry of the appropriate notice and subject to the other provisions of this Condition 6.12 (without any requirement for the consent or approval of the Noteholders) either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become, Compliant Instruments. Any substitution or variation in accordance with this Condition 6.12 is subject to the Issuer obtaining prior written consent of the Relevant Regulator (in the case of Subordinated Notes) or the Relevant Resolution Authority (in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes) and complying with the rules of any competent authority, stock exchange and/or quotation system by or on which the Notes are, for the time being, listed, traded and/or quoted.

The appropriate notice referred to in this Condition 6.12 is a notice given by the Issuer to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), which shall be signed by two duly authorised officers of the Issuer and shall specify:

- (i) that either an MREL Disqualification Event or a Capital Event, as applicable, has occurred and is continuing, or such substitution or variation is necessary in order to ensure the effectiveness and enforceability of Condition 17.4;
- (ii) that the Issuer has obtained the prior written consent of the Relevant Regulator (in the case of Subordinated Notes) or the Relevant Resolution Authority (in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes);
- (iii) that, in the opinion of the Issuer, the substituted or varied Notes will have terms not materially less favourable to an investor than the terms of the Notes (unless any prejudice to investors is solely attributable to the enforceability and effectiveness of Condition 17.4); and
- (iv) the due date for such substitution or variation, which shall be not less than 30 nor more than 60 days after the date on which such notice is validly given.

For the purposes of sub-paragraph (iii) above, any change in the governing law of the Notes from English law to Finnish law so that the Notes remain or, as appropriate, become Compliant Instruments shall be deemed not to be materially less favourable to an investor.

In this Condition 6.12:

Compliant Instruments means securities, whether debt, equity, interests in limited partnerships or otherwise, issued directly or indirectly by the Issuer that:

- (a) have terms which are not materially less favourable to an investor (unless any prejudice to investors is solely attributable to the enforceability and effectiveness of Condition 17.4), as certified by the Issuer acting reasonably (which certification shall be binding on the Noteholders), than the terms of the Notes, provided that such securities shall (subject to the foregoing requirement that the terms of such securities are not materially less favourable to an investor) (i) include a ranking at least equal to that of the Notes, (ii) have the same interest rate and the same Interest Payment Dates as those from time to time applying to the Notes, (iii) have the same redemption rights as the Notes (although they need not contain all of the rights of the Issuer under Condition 6.5 or Condition 6.6, as applicable), (iv) preserve any existing rights under the Notes to any accrued interest which has not been paid in respect of the period from (and including) the Interest Payment Date last preceding the date of substitution or variation, and (v) comply with the then current requirements of (A) in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes, the Applicable Banking Regulations in relation to eligible liabilities, or (B) in the case of Subordinated Notes, (I) if immediately prior to the relevant substitution or variation the

Notes constitute Tier 2 Capital, the Applicable Banking Regulations in relation to Tier 2 Capital, or (II) if immediately prior to the relevant substitution or variation the Notes qualify as MREL Eligible Liabilities, the Applicable Banking Regulations in relation to such instruments);

- (b) where the Notes had solicited credit ratings immediately prior to their substitution or variation, are assigned (or maintain) solicited credit ratings that are the same or higher than the solicited credit ratings that were assigned to the Notes immediately prior to such substitution or variation (unless, in respect of each such solicited credit rating, any downgrade of such solicited credit rating compared to the equivalent solicited credit rating that was assigned to the Notes immediately prior to the relevant substitution or variation is solely attributable to the effectiveness and enforceability of Condition 17.4); and
- (c) are listed on a recognised stock exchange if the Notes were so listed immediately prior to such substitution or variation.

7. TAXATION

7.1 Withholding or Deduction

All payments of principal and interest in respect of the Notes and Coupons by or on behalf of the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law.

In such event, the Issuer will (subject to Condition 7.2) pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) presented for payment in Finland; or
- (b) the holder of which is liable for such taxes or duties in respect of such Note or Coupon by reason of the holder having some connection with a Tax Jurisdiction other than the mere holding of such Note or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5.5).

As used herein:

- (i) **Tax Jurisdiction** means Finland or any political subdivision or any authority thereof or therein having power to tax; and
- (ii) the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

7.2 Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes and Subordinated Notes

This Condition 7.2 shall only apply to Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes and Subordinated Notes.

Notwithstanding Condition 7.1, any obligation to pay additional amounts provided for in Condition 7.1 will be limited to payments of interest (and not, for the avoidance of doubt, to payment of principal) in respect of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes.

8. PRESCRIPTION

The Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 or any Talon which would be void pursuant to Condition 5.2.

9. EVENTS OF DEFAULT

9.1 Events of Default relating to Senior Preferred Notes other than Senior Preferred MREL Eligible Notes

This Condition 9.1 applies only in the case of Notes specified in the applicable Final Terms as being Senior Preferred Notes that are not Senior Preferred MREL Eligible Notes, and references to **Notes** in this Condition 9.1 shall be construed accordingly.

If any one or more of the following events (each an **Event of Default**) shall occur and be continuing:

- (a) if default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 7 days in the case of principal and 14 days in the case of interest; or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by a Noteholder on the Issuer of notice requiring the same to be remedied; or
- (c) if (i) any Indebtedness for Borrowed Money (as defined below) of the Issuer or any of its Subsidiaries becomes due and repayable prematurely by reason of an event of default (however described); (ii) the Issuer or any of its Subsidiaries fails to make any payment in respect of any Indebtedness for Borrowed Money on the due date for payment (as extended by any originally applicable grace period) and the default continues for a period of 3 days; (iii) any security given by the Issuer or any of its Subsidiaries for any Indebtedness for Borrowed Money becomes enforceable; or (iv) default is made by the Issuer or any of its Subsidiaries in making any payment due under any guarantee and/or indemnity given by it in relation to any Indebtedness for Borrowed Money of any other person and the default continues for a period of 3 days, except (A) that it shall not be an Event of Default if such Indebtedness for Borrowed Money has not been paid as a result of a *bona fide* dispute which is being contested in good faith and by appropriate proceedings and in respect of which sufficient and proper reserves in cash or other readily recognisable liquid assets have been

made in accordance with IFRS and (B) that no event described in this Condition 9.1(c) shall constitute an Event of Default unless the Indebtedness for Borrowed Money or other relative liability, either alone or when aggregated with other Indebtedness for Borrowed Money and/or other liabilities relative to all (if any) other events which have occurred and are continuing, amount to at least €20,000,000; or

- (d) subject to Condition 9.3 below, if any order is made by any competent court or resolution passed for the winding up or dissolution of the Issuer or any of its Subsidiaries, save for the purposes of reorganisation on terms previously approved by an Extraordinary Resolution or the voluntary winding up of a solvent Subsidiary; or
- (e) subject to Condition 9.3 below, if the Issuer and/or any of its Subsidiaries ceases or threatens to cease to carry on the whole or any part of its business that represents the whole or a substantial part of the business of the Issuer and its Subsidiaries taken as a whole, save for the purposes of reorganisation on terms previously approved by an Extraordinary Resolution, or the Issuer or any of its Subsidiaries stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or
- (f) if (A) proceedings are initiated against the Issuer or any of its Subsidiaries under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Issuer or any of its Subsidiaries or, as the case may be, in relation to the whole or a substantial part of the undertaking or assets of any of them, or an encumbrance takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them and (B) in any case (other than the appointment of an administrator) is not discharged within 60 days; or
- (g) if the Issuer or any of its Subsidiaries initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors),

then any holder of a Note may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare any Note held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

9.2 Events of Default relating to Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes and Subordinated Notes

- (a) This Condition 9.2 applies only in the case of Notes specified in the applicable Final Terms as being Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, and references to **Notes** in this Condition 9.2 shall be construed accordingly.

The following shall be events of default (each an **Event of Default**) in relation to the Notes:

- (i) if default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 7 days in the case of principal and 14 days in the case of interest; or
- (ii) subject to Condition 9.3 below, if an order is made or an effective resolution is passed for the winding up or liquidation of the Issuer or the Issuer is otherwise declared bankrupt or put into liquidation, in each case by a court or agency or supervisory authority in the Republic of Finland having jurisdiction in respect of the same.

If any Event of Default shall have occurred under this Condition 9.2(a), any holder of a Note may, to the extent permitted by applicable law,

- (A) (in the case of (i) above), institute such steps, including the obtaining of a judgment against the Issuer for any amount due in respect of the relevant Notes, as it thinks desirable with a view to having the Issuer declared bankrupt or put into liquidation, in each case in the Republic of Finland and not elsewhere, and prove or claim in the bankruptcy or liquidation of the Issuer; and/or
- (B) (in the case of (ii) above), prove or claim in the bankruptcy or liquidation of the Issuer, whether in the Republic of Finland or elsewhere and instituted by the Issuer itself or by a third party,

but (in either case) any holder of a Note may claim payment in respect of the Note only in the bankruptcy or liquidation of the Issuer.

- (b) In any of the events or circumstances described in 9.2(a)(ii) above, any holder of a Note may give notice in writing to the Issuer that such Note is, and such Note shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest (if any) to the date of repayment, but subject to such holder only being able to claim payment in respect of the Note in the bankruptcy or liquidation of the Issuer.
- (c) Any holder of a Note may at its discretion institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition, undertaking or provision binding on the Issuer under the Notes (other than, without prejudice to Conditions 9.2(a) or 9.2(b) above, any obligation for the payment of any principal or interest in respect of the Notes) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it, except with the consent of the Relevant Resolution Authority (in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes) or the Relevant Regulator (in the case of Subordinated Notes) (in either case, if such approval is then required under Applicable Banking Regulations).
- (d) No remedy against the Issuer, other than as provided in Conditions 9.2(a), 9.2(b) and 9.2(c) above or proving or claiming in the bankruptcy or liquidation of the Issuer in the Republic of Finland or elsewhere, shall be available to the holders of Notes, whether for the recovery of amounts owing in respect of the Notes or in respect of any breach by the Issuer of any of its obligations or undertakings under the Notes.

9.3 Consolidation, Merger and Sale of Assets

The Issuer may, without the consent of Noteholders, consolidate with, or merge into, or sell, transfer, lease or convey its assets substantially as an entirety to any other entity, provided that (i) such successor entity expressly assumes the obligations of the Issuer under the Notes and any Coupons (as applicable) including any additional amounts (and a legal opinion from Finnish lawyers is provided in respect thereof), and (ii) after giving effect to the transaction, no Event of Default shall have occurred and be continuing, and provided that two directors of the Issuer certify to such effect.

9.4 Definitions

For the purposes of these Conditions:

Subsidiary means any entity which is a subsidiary within the meaning of Section 1159 of the Companies Act 2006.

Indebtedness for Borrowed Money means any indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities or any borrowed money or any liability under or in respect of any acceptance or acceptance credit.

10. REPLACEMENT OF NOTES, COUPONS AND TALONS

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority; and
- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4. Notice of any variation, termination, appointment or change in Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 13.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholder or Couponholder. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London and (b) if and for so long as the Notes are admitted to trading on, and listed on the Official List of the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg or the Luxembourg Stock Exchange's website, www.luxse.com. It is expected that any such publication in a newspaper will be made in the *Financial Times* in London and the *Luxemburger Wort* or the *Tageblatt* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the business day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. MEETINGS OF NOTEHOLDERS AND MODIFICATION

The Agency Agreement contains provisions for convening meetings (including by way of conference call or by use of a videoconference platform) of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be

convened by the Issuer and shall be convened by the Issuer if required in writing by Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Agency Agreement by a majority consisting of not less than three-fourths of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of all the holders or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Agent) by or on behalf of all the holders, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. An Extraordinary Resolution passed by the Noteholders will be binding on all the Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution, and on all Couponholders.

The Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to any modification of the Notes, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law. Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

In addition, the Issuer may, without the consent of the Noteholders or the Couponholders, amend these Conditions to give effect to any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.5(d) above.

Any modification of the Notes, the Coupons or the Agency Agreement in accordance with the foregoing provisions of this Condition 14 which, in the reasonable opinion of the Issuer, would lead to material changes that would affect the eligibility criteria of the Notes in the Applicable Banking Regulations, is subject to the Issuer obtaining the prior approval of the Relevant Regulator (in the case of Subordinated Notes) or the Relevant Resolution Authority (in the case of Senior Preferred MREL Eligible Notes or Senior Non-Preferred Notes).

15. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

16. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. GOVERNING LAW AND SUBMISSION TO JURISDICTION

17.1 Governing law

In the case of Senior Preferred MREL Eligible Notes, Senior Non-Preferred Notes or Subordinated Notes, Condition 2, and any non-contractual obligations arising out of or in connection with Condition 2, are governed by, and shall be construed in accordance with, Finnish law.

17.2 Submission to jurisdiction

- (a) Subject to Condition 17.2(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Notes and/or the Coupons, including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Notes and/or the Coupons (a **Dispute**) and accordingly each of the Issuer and any Noteholders or Couponholders in relation to any Dispute submits to the exclusive jurisdiction of the English courts.
- (b) For the purposes of this Condition 17.2, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) This Condition 17.2(c) is for the benefit of the Noteholders and the Couponholders only. To the extent allowed by law, the Noteholders and the Couponholders may, in respect of any Dispute or Disputes, take: (i) proceedings in any other court, provided that court would be competent to hear the Dispute pursuant to Regulation (EU) No 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (recast), or the 2007 Lugano Convention on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters; and (ii) concurrent proceedings in any number of jurisdictions identified in this Condition 17.2 that are competent to hear those proceedings.

17.3 Appointment of Process Agent

The Issuer irrevocably appoints Blake Morgan LLP at its registered office at One Central Square, Cardiff, CF10 1FS as its agent for service of process in any proceedings before the English courts in relation to any Dispute, and agrees that, in the event of Blake Morgan LLP being unable or unwilling for any reason so to act, it will immediately appoint another person as its agent for service of process in England in respect of any Dispute. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate service. Nothing herein shall affect the right to serve process in any other manner permitted by law.

17.4 Finnish Statutory Loss Absorption Powers

Notwithstanding and to the exclusion of any other term of the Notes or any other agreements, arrangements or understanding between the Issuer and any Noteholder (which, for the purposes of this Condition 17.4, includes each holder of a beneficial interest in the Notes), by its acquisition of any Note, each Noteholder acknowledges, accepts and consents that the Notes and any liability arising under the Notes may be subject to the exercise of any Finnish Statutory Loss Absorption

Powers (including, for the avoidance of doubt, in accordance with Article 48 of the BRRD and, in the case of Subordinated Notes only, Article 59 of the BRRD) by the Relevant Resolution Authority and acknowledges, accepts, consents to and agrees to be bound by:

- (a) the effect of the exercise of any Finnish Statutory Loss Absorption Powers by the Relevant Resolution Authority, which exercise (without limitation) may include and result in any of the following, or a combination thereof:
 - (i) the reduction of all, or a portion, of the Relevant Amounts in respect of the Notes (which may be a reduction to nil);
 - (ii) the conversion of all, or a portion, of the Relevant Amounts in respect of the Notes into shares, other securities or other obligations of the Issuer or another person, and the issue to or conferral on the Noteholder of such shares, securities or obligations, including by means of an amendment, modification or variation of the terms of the Notes;
 - (iii) the cancellation of the Notes or the Relevant Amounts in respect of the Notes; and
 - (iv) the amendment or alteration of the term of the Notes or the amendment of the amount of interest payable on the Notes (if any), or the date on which interest becomes payable, including by suspending payment for a temporary period; and
- (b) the variation of the terms of the Notes, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of any Finnish Statutory Loss Absorption Powers by the Relevant Resolution Authority.

Upon the Issuer being informed and notified by the Relevant Resolution Authority of the actual exercise of any Finnish Statutory Loss Absorption Powers with respect to the Notes, the Issuer shall notify the Noteholders without delay in accordance with Condition 13. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Finnish Statutory Loss Absorption Powers nor the effects on the Notes described in this Condition 17.4.

Neither a reduction or cancellation, in part or in full, of the Notes or the Relevant Amounts in respect of the Notes, or the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Finnish Statutory Loss Absorption Powers by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of the Finnish Statutory Loss Absorption Powers by the Relevant Resolution Authority with respect to the Notes, will be an Event of Default or a default in payment for any purpose.

In these Conditions:

Finnish Statutory Loss Absorption Powers means any write-down, conversion, transfer, modification, suspension or similar or related power existing from time to time under, and exercised in compliance with, any laws, regulations, rules or requirements in effect in the Republic of Finland, relating to (i) the transposition into Finnish law of Directive 2014/59/EU as amended or replaced from time to time and (ii) the instruments, rules and standards created thereunder, pursuant to which any obligation of the Issuer (or any affiliate of the Issuer) can be reduced, cancelled, modified, or converted into shares, other securities or other obligations of the Issuer or any other person (or suspended for a temporary period);

Relevant Amounts means the outstanding principal amount of the Notes, together with any accrued but unpaid interest thereon and any additional or other amounts whatsoever accrued or due or which would otherwise be payable on or in respect of the Notes. References to such amounts will include

Relevant Resolution Authority means the Financial Stability Authority in Finland and/or any other resolution authority with the ability to exercise any Finnish Statutory Loss Absorption Powers in relation to the Issuer or any Notes.

If this Covered Bond is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation, the applicable Final Terms will only be obtainable by a Covered Bondholder holding one or more unlisted Covered Bonds of that Series and such Covered Bondholder must produce evidence satisfactory to the Issuer or, as the case may be, the relevant Paying Agent as to its holding of such Covered Bonds and identity. The Covered Bondholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Covered Bonds of one Specified Denomination may not be exchanged for Covered Bonds of another Specified Denomination.

This Covered Bond may be a Fixed Rate Covered Bond, a Floating Rate Covered Bond, a Zero Coupon Covered Bond or a combination of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Covered Bonds are issued with Coupons attached, unless they are Zero Coupon Covered Bonds in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to the Covered Bonds and Coupons will pass by delivery. The Issuer and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Covered Bond or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Covered Bond, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Covered Bonds are represented by a Global Covered Bond held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Covered Bonds (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agents as the holder of such nominal

amount of such Covered Bonds for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Covered Bonds, for which purpose the bearer of the relevant Global Covered Bond shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expressions **Covered Bondholder** and **holder of Covered Bonds** and related expressions shall be construed accordingly.

Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. 2. STATUS OF THE COVERED BONDS AND OVERCOLLATERALISATION

2.1 *Status of the Covered Bonds*

The Covered Bonds and any relative Coupons are direct, unconditional and unsubordinated obligations of the Issuer and rank *pari passu* among themselves. The Covered Bonds will be covered in accordance with the Finnish Mortgage Credit Banks and Covered Bonds Act (*Laki kiinnitysluottopankeista ja katetuista joukkolainoista 151/2022*, as amended) (the **CBA**) and will rank *pari passu* with all other obligations of the Issuer in respect of mortgage-backed bonds covered by the same qualifying cover assets pool in accordance with the CBA (including pursuant to section 20 of the CBA). Any related derivative contracts included in the same qualifying cover assets pool, and the management and liquidation costs related to the Covered Bonds and such other mortgage-backed bonds, will rank *pari passu* with the Covered Bonds, in accordance with the CBA (including pursuant to section 20 of the CBA).

2.2 *Minimum Overcollateralisation Level*

This Condition 2.2 shall apply to the Covered Bonds unless (i) the Issuer has been assigned a long-term obligation rating ("Bank Deposit" or similar rating) of A2 or higher by Moody's; and (ii) Moody's has confirmed in writing to the Issuer that the disapplication of this Condition 2.2 would not, in and of itself, result in Moody's reducing, removing, suspending or placing on credit watch any Moody's credit rating then assigned to the Covered Bonds (and provided such confirmation has not been revoked by Moody's), provided that (whether or not this Condition 2.2 is disappplied) the Issuer shall at all times maintain the statutory minimum level of overcollateralisation required by the CBA.

For so long as the Covered Bonds are outstanding, the total value (determined in accordance with the CBA) of the qualifying cover assets pool with respect to (i) the Covered Bonds (maintained by the Issuer in accordance with the terms of the CBA and this Condition), (ii) any other obligations of the Issuer in respect of mortgage-backed bonds covered by the same qualifying cover assets pool and (iii) the expected winding-down costs related to the Covered Bonds and the other mortgage-backed bonds referred to in (ii), in accordance with the CBA (including pursuant to section 24 of the CBA) will not at any time be less than the Minimum Overcollateralisation Level (as defined below).

For the purpose of this Condition, the **Minimum Overcollateralisation Level** at any time shall be an amount equal to 105 per cent. of the total outstanding principal amount of the Covered Bonds, any other obligations of the Issuer in respect of mortgage-backed bonds covered by the same qualifying cover assets pool and the expected winding-down costs related to the Covered Bonds and such other mortgage-backed bonds in accordance with the CBA (including pursuant to section 24 of the CBA) in issue at such time.

Qualifying cover assets for the purpose of complying with the Minimum Overcollateralisation Level shall include:

- (A) housing loans (where the amount taken into account for the purpose of calculating the total amount of the qualifying cover assets pool is the amount of such housing loan that does not exceed 80 per cent. of the market value (determined in accordance with the CBA) of the shares, real estate or certain comparable assets placed as collateral for each housing loan), being a loan meeting the Cover Pool Criteria (as defined below); and
- (B) any supplementary collateral, in each case as permitted under the CBA and referred to in section 18 of the CBA, where the principal amount of the credit serving as supplementary collateral taken into account is 100 per cent. of the principal amount (determined in accordance with the CBA), save where the relevant counterparty is deemed to be insolvent within the meaning of Article 178 of the CRR, in which case any unsecured credit may not be included in the calculation of the collateralisation level,

and, in accordance with the CBA, any receivables based on derivative contracts relating to the cover pool, receivables based on insurance claims relating to the collateral of the housing loans as well as assets used to cover the cover pool liquidity buffer requirement set forth in the CBA.

Cover Pool Criteria (in respect of qualifying cover assets for the purpose of complying with the Minimum Overcollateralisation Level) means:

- (i) the loan is a housing loan as defined in section 11, subsection 1 of the CBA;
- (ii) the loan meets the requirements set out in Article 129 of the CRR;
- (iii) the loan is granted in Finland;
- (iv) the residential property securing the loan shall be duly insured in accordance with the requirements of the CBA;
- (v) the loan is granted to one or more private individuals or to a housing company as referred to in chapter 1, section 2 of the Act on Housing Companies (1599/2009);
- (vi) the borrowers' income is verified prior to granting the loan; and
- (vii) the borrower has no public payment defaults registered in the register generally used by Finnish mortgage lenders for credit information.

3. REDENOMINATION

This Condition 3 has been deleted intentionally.

4. INTEREST

4.1 Interest on Fixed Rate Covered Bonds

Each Fixed Rate Covered Bond bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Covered Bonds are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Covered Bonds in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Covered Bonds which are represented by a Global Covered Bond, the aggregate outstanding nominal amount of the Fixed Rate Covered Bonds represented by such Global Covered Bond; or
- (ii) in the case of Fixed Rate Covered Bonds in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount to the Calculation Amount, in the case of Fixed Rate Covered Bonds in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.1:

- (a) if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:
 - (i) in the case of Covered Bonds where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (ii) in the case of Covered Bonds where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (b) if "30/360" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In the Conditions:

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on Floating Rate Covered Bonds

(a) Interest Payment Dates

Each Floating Rate Covered Bond bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls on the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Covered Bonds become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date

should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, **Business Day** means a day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre (other than T2) specified in the applicable Final Terms;
- (ii) if T2 is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer System or any successor to or replacement for that system (**T2**) is open; and
- (iii) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which T2 is open.

(b) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Covered Bonds will be determined in the manner specified below.

Screen Rate Determination for Floating Rate Covered Bonds

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either EURIBOR, STIBOR or NIBOR, as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or each replacement page on that service which displays the information) as at 11.00 a.m. Brussels time, in the case of EURIBOR or Stockholm time, in the case of STIBOR) or 12.00 noon (Oslo time, in the case of NIBOR) (such time, the **Specified Time**) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 4.2(b)(A), no offered quotation appears or, in the case of Condition 4.2(b)(B), fewer than three offered quotations appear, in each case as at the Specified Time, the Issuer shall request each of the Reference Banks to provide it with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question and the Issuer will provide each quotation to the Agent or the Calculation Agent, as applicable. If two or more of the Reference Banks provide the Issuer with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable.

If on any Interest Determination Date one only or none of the Reference Banks provides the Issuer with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent or the Calculation Agent, as applicable, determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to the Issuer by the Reference Banks or any two or more of them and subsequently communicated to the Agent or the Calculation Agent, as applicable by the Issuer, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Issuer with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Issuer (and the Issuer subsequently informs the Agent or

the Calculation Agent, as applicable) it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In these Conditions, **Reference Banks** means, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Stockholm inter-bank market and, in the case of a determination of NIBOR, the principal Oslo office of four major banks in the Norwegian inter-bank market, in each case selected by the Issuer.

(c) **Minimum Rate of Interest and/or Maximum Rate of Interest**

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) **Determination of Rate of Interest and calculation of Interest Amounts**

The Agent or the Calculation Agent, as applicable, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent or the Calculation Agent, as applicable, will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Covered Bonds for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Covered Bonds which are represented by a Global Covered Bond, the aggregate outstanding nominal amount of the Covered Bonds represented by such Global Covered Bond; or
- (B) in the case of Floating Rate Covered Bonds in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Covered Bond in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Covered Bond shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4.2:

- (i) if "Actual/Actual (ISDA)" or "Actual/Actual" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if "Actual/365 (Sterling)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D1" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (vi) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D1" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D2 will be 30;

- (vii) if "30E/360 (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D1" is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D2 will be 30.

(e) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent or the Calculation Agent, as applicable, by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided

however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent or the Calculation Agent, as applicable, in consultation with the Issuer shall determine such rate at such time and by reference to such sources as both determine appropriate.

Designated Maturity means the period of time designated in the Reference Rate.

(f) **Notification of Rate of Interest and Interest Amounts**

The Agent or the Calculation Agent, as applicable, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Covered Bonds are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 12 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Covered Bonds are for the time being listed and to the Covered Bondholders in accordance with Condition 12. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(g) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2 by the Agent or the Calculation Agent, as applicable, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the other Paying Agents and all Covered Bondholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Covered Bondholders or the Couponholders shall attach to the Agent or the Calculation Agent, as applicable, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.3 Benchmark Discontinuation

This Condition 4.3 is applicable if the Covered Bonds are Floating Rate Covered Bonds.

Notwithstanding the provisions above in Condition 4.2, if a Benchmark Event occurs in relation to an Original Reference Rate at any time when these Conditions provide for any remaining Rate of Interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions of this Condition 4.3 shall apply.

(a) **Independent Adviser**

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.3(b)) and, in either case, the applicable Adjustment Spread (in accordance with Condition 4.3(c)) and any Benchmark Amendments (in accordance with Condition 4.3(d)).

An Independent Adviser appointed pursuant to this Condition 4.3 shall act in good faith and in a commercially reasonable manner and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Agent, the Calculation Agent, the other Paying Agents, the Covered Bondholders

or the Couponholders for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4.3.

(b) **Successor Rate or Alternative Rate**

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

- (i) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4.3(c), if applicable) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Covered Bonds (subject to the further operation of this Condition 4.3); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4.3(c), if applicable) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Covered Bonds (subject to the further operation of this Condition 4.3).

(c) **Adjustment Spread**

If the Issuer, following consultation with the Independent Adviser and acting in good faith and a commercially reasonable manner, determines the quantum of, or a formula or methodology for determining, an Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(d) **Benchmark Amendments**

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4.3 and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the **Benchmark Amendments**) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.3(f), without any requirement for the consent or approval of Covered Bondholders or Couponholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

(e) **Failure to appoint an Independent Adviser**

If the Issuer is unable to appoint an Independent Adviser in accordance with this Condition 4.3, the Issuer, acting in good faith and in a commercially reasonable manner, may still determine (i) a Successor Rate or Alternative Rate and (ii) in either case, the applicable Adjustment Spread and any Benchmark Amendments in accordance with this Condition 4.3 (with the relevant provisions of this Condition 4.3 applying *mutatis mutandis* to allow such determinations to be made by the Issuer without consultation with an Independent Adviser).

Where this Condition 4.3(e) applies, without prejudice to the definitions set out in Condition 4.3(i), for the purposes of determining any Successor Rate, Alternative Rate, Adjustment Spread and/or Benchmark Amendments (as the case may be), the Issuer will take into account any relevant and applicable market precedents and customary market usage as well as any published guidance from

relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets.

(f) **Notices**

The Issuer will notify the Agent, the Calculation Agent, the other Paying Agents and, in accordance with Condition 12, the Covered Bondholders promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4.3. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) specified in such notice will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate, the applicable Adjustment Spread and the Benchmark Amendments (if any)) be binding on the Issuer, the Calculation Agent, the Agent, the other Paying Agents, the Covered Bondholders and the Couponholders as of their effective date.

(g) **Survival of Original Reference Rate**

Without prejudice to the obligations of the Issuer under Conditions 4.3(a) to (f) inclusive, the Original Reference Rate and the fallback provisions provided for in Condition 4.2(b) will continue to apply unless and until a Benchmark Event has occurred in respect of the Original Reference Rate and the Agent or (if applicable) the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and (in either case) the applicable Adjustment Spread and any Benchmark Amendments, in accordance with Condition 4.3(f).

(h) **Fallbacks**

If, following the occurrence of a Benchmark Event and in relation to the determination of an applicable Rate of Interest on the relevant Interest Determination Date, no Successor Rate or Alternative Rate (as applicable) is determined and notified to the Agent or (if applicable) the Calculation Agent, in each case pursuant to this Condition 4.3, prior to such Interest Determination Date, the Original Reference Rate will continue to apply for the purposes of determining such Rate of Interest on such Interest Determination Date with the effect that the fallback provisions provided for in Condition 4.2(b) will (if applicable) continue to apply to such determination.

For the avoidance of doubt, this Condition 4.3(h) shall apply to the determination of the Rate of Interest on the relevant Interest Determination Date only, and the Rate of Interest applicable to any subsequent Interest Period(s) is subject to the subsequent operation of, and to adjustment as provided in, this Condition 4.3.

(i) **Definitions**

In this Condition 4.3, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

Adjustment Spread means either (x) a spread (which may be positive, negative or zero), or (y) a formula or methodology for calculating a spread, in either case, which is to be applied to the relevant Successor Rate or Alternative Rate (as applicable) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or

- (ii) in the case of an Alternative Rate or (where (i) above does not apply) in the case of a Successor Rate, is in customary market usage in the international debt capital markets for transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (iii) if neither (i) nor (ii) above applies, the Issuer determines, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be);

Alternative Rate means an alternative to the Original Reference Rate which the Issuer, following consultation with the Independent Adviser, determines in accordance with Condition 4.3(b) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for debt securities in the same Specified Currency as the Covered Bonds and with an interest period of comparable duration to the relevant Interest Period, or if the Issuer, following consultation with the Independent Adviser, determines that there is no such rate, such other rate as the Issuer, following consultation with the Independent Adviser, determines in its discretion is most comparable to the Original Reference Rate;

Benchmark Amendments has the meaning given to it in Condition 4.3(d);

Benchmark Event means, with respect to an Original Reference Rate:

- (i) the Original Reference Rate ceasing to be published for at least five Business Days or ceasing to exist or be administered; or
- (ii) the later of (A) the making of a public statement by or on behalf of the administrator of the Original Reference Rate that it will, by a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (B) the date falling six months prior to the specified date referred to in (ii)(A); or
- (iii) the making of a public statement by or on behalf of the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (iv) the later of (A) the making of a public statement by or on behalf of the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, by a specified date, be permanently or indefinitely discontinued and (B) the date falling six months prior to the specified date referred to in (iv)(A); or
- (v) the later of (A) the making of a public statement by or on behalf of the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case on or before a specified date, and (B) the date falling six months prior to the specified date referred to in (v)(A); or
- (vi) it has, or will prior to the next Interest Determination Date, become unlawful for the Agent, any other Paying Agent, the Calculation Agent or the Issuer to calculate any payments due to be made to any Covered Bondholder or Couponholder using the Original Reference Rate; or

- (vii) the making of a public statement by or on behalf of the supervisor of the administrator of such Original Reference Rate announcing that such Original Reference Rate is no longer representative or may no longer be used; or
- (viii) the later of (A) the making of a public statement by or on behalf of the supervisor of the administrator of such Original Reference Rate that, in the view of such supervisor, such Original Reference Rate will, as of a specified date, no longer be representative of its underlying market and (B) the date falling six months prior to the specified date referred to in (viii)(A);

Independent Adviser means an independent financial institution of international repute or an independent financial adviser of recognised standing with appropriate expertise in the international debt capital markets appointed by the Issuer at its own expense under Condition 4.3(a);

Original Reference Rate means the benchmark or screen rate (as applicable) originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) in respect of any Interest Period(s) (provided that if, following one or more Benchmark Events, such originally specified benchmark or screen rate (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or Alternative Rate, the term "Original Reference Rate" shall include any such Successor Rate or Alternative Rate);

Relevant Nominating Body means, in respect of an Original Reference Rate:

- (i) the central bank for the currency to which the Original Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate; or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (A) the central bank for the currency to which the Original Reference Rate relates, (B) any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate, (C) a group of the aforementioned central banks or other supervisory authorities or (D) the Financial Stability Board or any part thereof; and

Successor Rate means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

4.4 Interest Rate and Payments from the Maturity Date if Statutory Extended Final Maturity applies

- (a) If Statutory Extended Final Maturity is specified as being applicable in the applicable Final Terms and the Issuer has received a Statutory Maturity Extension Approval from the FIN-FSA (each as defined in Condition 6.1), each Covered Bond shall bear interest in accordance with this Condition 4.4 on its outstanding nominal amount from (and including) the Maturity Date to (but excluding) the Statutory Extended Final Maturity Date (as defined in Condition 6.1), subject to Condition 4.5. In such circumstances, the Rate of Interest for each Interest Period falling after the Maturity Date, and the amount of interest payable on each Interest Payment Date in respect of such Interest Period, shall be determined by the Agent or the Calculation Agent, as applicable, in accordance with the applicable Final Terms and (i) if the applicable Final Terms specify that "Statutory Extended Final Maturity Interest Provisions" are applicable from (and including) the Maturity Date to (but excluding) the Statutory Extended Final Maturity Date and that "Fixed Rate Provisions" are applicable during such

period, Condition 4.1, *mutatis mutandis*, or (ii) if the applicable Final Terms specify that "Statutory Extended Final Maturity Interest Provisions" are applicable from (and including) the Maturity Date to (but excluding) the Statutory Extended Final Maturity Date and that "Floating Rate Provisions" are applicable during such period, Condition 4.2, *mutatis mutandis*, as applicable.

- (b) In the case of Covered Bonds which are Zero Coupon Covered Bonds up to (and including) the Maturity Date, for the purposes of this Condition 4.4, the outstanding nominal amount of such Covered Bonds shall be the total amount otherwise payable by the Issuer on the Maturity Date less any payments made by the Issuer in respect of such amount in accordance with these Conditions.
- (c) All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.4 by the Agent or the Calculation Agent, as applicable, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the other Paying Agents and all Covered Bondholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Covered Bondholders or the Couponholders shall attach to the Agent or the Calculation Agent, as applicable, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.
- (d) This Condition 4.4 shall only apply if (i) Statutory Extended Final Maturity is specified as being applicable in the applicable Final Terms and (ii) the Issuer has received a Statutory Maturity Extension Approval, and in such circumstances the maturity of the Covered Bonds will be automatically extended to the Statutory Extended Final Maturity Date in accordance with Condition 6.1.

4.5 Accrual of Interest

Each Covered Bond (or in the case of the redemption of part only of a Covered Bond, that part only of such Covered Bond) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Covered Bond have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Covered Bond has been received by the Agent and notice to that effect has been given to the Covered Bondholders in accordance with Condition 12.

5. PAYMENTS

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and

- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment or other laws and regulations to which the Issuer or its Paying Agents are subject, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

5.2 Presentation of definitive Covered Bonds and Coupons

Payments of principal in respect of definitive Covered Bonds will (subject as provided below) be made in the manner provided in Condition 5.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Covered Bonds, and payments of interest in respect of definitive Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Covered Bonds in definitive form (other than Long Maturity Covered Bonds (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Maturity Date or, as the case may be, its Statutory Extended Final Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond or Long Maturity Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Covered Bond** is a Fixed Rate Covered Bond (other than a Fixed Rate Covered Bond which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Covered Bond shall cease to be a Long Maturity Covered Bond on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Covered Bond.

If the due date for redemption of any definitive Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Covered Bond.

5.3 Payments in respect of Global Covered Bonds

Payments of principal and interest (if any) in respect of Covered Bonds represented by any Global Covered Bond will (subject as provided below) be made in the manner specified above in relation to definitive Covered Bonds or otherwise in the manner specified in the relevant Global Covered Bond, where applicable against presentation or surrender, as the case may be, of such Global Covered Bond at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Covered Bond by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

5.4 General provisions applicable to payments

The holder of a Global Covered Bond shall be the only person entitled to receive payments in respect of Covered Bonds represented by such Global Covered Bond and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Covered Bond in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Covered Bonds represented by such Global Covered Bond must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for their share of each payment so made by the Issuer to, or to the order of, the holder of such Global Covered Bond.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Covered Bonds is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Covered Bonds will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Covered Bonds in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.5 Payment Day

If the date for payment of any amount in respect of any Covered Bond or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 8) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in the case of Covered Bonds in definitive form only, the relevant place of presentation; and

- (ii) each Additional Financial Centre (other than T2) specified in the applicable Final Terms;
- (b) if T2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which T2 is open; and
- (c) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which T2 is open.

5.6 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Covered Bonds shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7;
- (b) the Final Redemption Amount of the Covered Bonds;
- (c) the Early Redemption Amount of the Covered Bonds;
- (d) the Optional Redemption Amount(s) (if any) of the Covered Bonds; and
- (e) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Covered Bonds.

Any reference in the Conditions to interest in respect of the Covered Bonds shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. REDEMPTION AND PURCHASE

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Covered Bond will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms, subject (if Statutory Extended Final Maturity is specified as being applicable in the applicable Final Terms) as provided in the next paragraph.

If Statutory Extended Final Maturity is specified as being applicable in the applicable Final Terms and the Issuer has received approval from the Finnish Financial Supervisory Authority (in Finnish: *Finanssivalvonta*) (the **FIN-FSA**) to extend the maturity of the Covered Bonds as a result of (i) the relevant provisions of these Conditions regarding the extension of maturity being deemed to comply with the requirements set forth in the CBA and (ii) the Maturity Extension Criteria being deemed to have been fulfilled (such approval, a **Statutory Maturity Extension Approval**), then payment of any part of the Final Redemption Amount not paid by the Issuer on the Maturity Date shall be automatically deferred until the Statutory Extended Final Maturity Date in accordance with the Statutory Maturity Extension Approval, provided that any amount representing the Final Redemption Amount (or any part of it) due and remaining unpaid on the Maturity Date may be paid

by the Issuer on any Interest Payment Date occurring thereafter up to (and including) the Statutory Extended Final Maturity Date (to the extent such payment is not prohibited by the Statutory Maturity Extension Approval).

The Issuer shall confirm to Moody's and the Agent as soon as reasonably practicable and in any event at least 5 Business Days in London prior to the Maturity Date if the Final Redemption Amount in respect of the Covered Bonds will not be paid (in full) on the Maturity Date. Any failure by the Issuer to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party and shall not constitute a default under these Conditions.

If, where Statutory Extended Final Maturity is specified as being applicable in the applicable Final Terms, the maturity of the Covered Bonds is deferred to the Statutory Extended Final Maturity Date in accordance with this Condition 6.1, the Issuer shall give not less than 30 days' notice of such extension and of the Statutory Extended Final Maturity Date to the Covered Bondholders (or, if the Statutory Maturity Extension Approval is received 30 days or fewer prior to the Maturity Date, the Issuer shall give notice of such extension and of the Statutory Extended Final Maturity Date to the Covered Bondholders as soon as reasonably practicable before the Maturity Date) in accordance with Condition 12 (provided, however, that any failure by the Issuer to give such notice shall not in any event affect the validity or effectiveness of the extension nor give any Covered Bondholders or Couponholder any right to receive any payment of interest, principal or otherwise with respect to the relevant Covered Bonds other than as provided for in these Conditions).

Where Statutory Extended Final Maturity is specified as being applicable in the applicable Final Terms and the Issuer has received a Statutory Maturity Extension Approval, a failure by the Issuer to pay the Final Redemption Amount in full on the Maturity Date shall not constitute a default in payment.

For the purposes of these Conditions:

Maturity Extension Criteria means:

- (a) the Issuer is unable to obtain financing from conventional sources of long-term financing;
- (b) the Issuer is unable to pay the principal and interest of the maturing Covered Bond(s) without falling short of the liquidity coverage ratio under the CRR of the Issuer or the consortium to which it belongs; and
- (c) the deferral does not affect the order in which the Covered Bonds and any other mortgage-backed bonds covered by the same qualifying cover assets pool in accordance with the CBA would have matured in accordance with their original maturity schedule; and

Statutory Extended Final Maturity Date means either:

- (a) if a Statutory Extended Final Maturity Date is specified in the applicable Final Terms, such date; or
- (b) if no Statutory Extended Final Maturity Date is specified in the applicable Final Terms, such date as is agreed between the Issuer (or the bankruptcy administrator or the liquidator of the Issuer, as applicable) and the FIN-FSA in connection with the Statutory Maturity Extension Approval, provided that such date:
 - (i) must fall on an Interest Payment Date; and

- (ii) must be no later than the Statutory Extended Final Maturity Long-Stop Date (as specified in the applicable Final Terms).

6.2 Redemption for tax reasons

Subject to Condition 6.5, the Covered Bonds may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Covered Bond is not a Floating Rate Covered Bond) or on any Interest Payment Date (if this Covered Bond is a Floating Rate Covered Bond), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 12, the Covered Bondholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Covered Bonds, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Covered Bonds; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Covered Bonds then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Covered Bondholders (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Covered Bonds redeemed pursuant to this Condition 6.2 will be redeemed at their Early Redemption Amount referred to in Condition 6.5 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period and not more than the maximum period of notice specified in the applicable Final Terms to the Covered Bondholders in accordance with Condition 12 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Covered Bonds then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of Covered Bonds, the Covered Bonds to be redeemed (**Redeemed Covered Bonds**) will be selected individually by lot, in the case of Redeemed Covered Bonds represented by definitive Covered Bonds, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case

of Redeemed Covered Bonds represented by a Global Covered Bond, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Covered Bonds represented by definitive Covered Bonds, a list of the serial numbers of such Redeemed Covered Bonds will be published in accordance with Condition 12 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Covered Bond will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6.3 and notice to that effect shall be given by the Issuer to the Covered Bondholders in accordance with Condition 12 at least five days prior to the Selection Date.

6.4 Redemption at the option of the Covered Bondholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Covered Bond giving to the Issuer in accordance with Condition 12 not less than the minimum period and not more than the maximum period of notice specified in the applicable Final Terms the Issuer will, upon the expiry of such notice, redeem such Covered Bond on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Covered Bond the holder of this Covered Bond must, if this Covered Bond is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **Put Notice**) and in which the holder must specify a bank account to which payment is to be made under this Condition and the Put Notice must be accompanied by this Covered Bond or evidence satisfactory to the Paying Agent concerned that this Covered Bond will, following delivery of the Put Notice, be held to its order or under its control. If this Covered Bond is represented by a Global Covered Bond or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Covered Bond the holder of this Covered Bond must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on their instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice given by a holder of any Covered Bond pursuant to this Condition 6.4 shall be irrevocable.

6.5 Early Redemption Amounts

For the purpose of Condition 6.2 above, each Covered Bond will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Covered Bond with a Final Redemption Amount equal to the Issue Price of the first Tranche of the Series, at the Final Redemption Amount thereof;
- (b) in the case of a Covered Bond (other than a Zero Coupon Covered Bond) with a Final Redemption Amount which is or may be less or greater than the Issue Price of the first Tranche of the Series, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or

- (c) in the case of a Zero Coupon Covered Bond, at an Early Redemption Amount calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable and the denominator of which will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable and the denominator will be 365).

6.6 Purchases

The Issuer or any Subsidiary of the Issuer may at any time purchase Covered Bonds (provided that, in the case of definitive Covered Bonds, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Covered Bonds may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

6.7 Cancellation

All Covered Bonds which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Covered Bonds so cancelled and any Covered Bonds purchased and cancelled pursuant to Condition 6.6 above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.8 Late payment on Zero Coupon Covered Bonds

If the amount payable in respect of any Zero Coupon Covered Bond upon redemption of such Zero Coupon Covered Bond pursuant to Conditions 6.1, 6.2, 6.3 or 6.4 above is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Covered Bond shall be the amount calculated as provided in Condition 6.5(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Covered Bond becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Covered Bond have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Covered Bonds has been received by the Agent and notice to that effect has been given to the Covered Bondholders in accordance with Condition 12.

7. TAXATION

All payments of principal and interest in respect of the Covered Bonds and Coupons by or on behalf of the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Covered Bonds or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Covered Bonds, or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Covered Bond or Coupon:

- (a) presented for payment in Finland; or
- (b) the holder of which is liable for such taxes or duties in respect of such Covered Bond or Coupon by reason of the holder having some connection with a Tax Jurisdiction other than the mere holding of such Covered Bond or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5.5).

As used herein:

- (i) **Tax Jurisdiction** means Finland or any political subdivision or any authority thereof or therein having power to tax; and
- (ii) the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Covered Bondholders in accordance with Condition 12.

8. PRESCRIPTION

The Covered Bonds and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 or any Talon which would be void pursuant to Condition 5.2.

9. REPLACEMENT OF COVERED BONDS, COUPONS AND TALONS

Should any Covered Bond, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Covered Bonds, Coupons or Talons must be surrendered before replacements will be issued.

10. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Covered Bonds are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority; and
- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4. Notice of any variation, termination, appointment or change in Paying Agents will be given to the Covered Bondholders promptly by the Issuer in accordance with Condition 12.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Covered Bondholder or Couponholder. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

11. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Covered Bond to which it appertains) a further Talon, subject to the provisions of Condition 8.

12. NOTICES

All notices regarding the Covered Bonds will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London and (b) if and for so long as the Covered Bonds are admitted to trading on, and listed on the official list of the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg or the Luxembourg Stock

Exchange's website (www.luxse.com). It is expected that any publication made in a daily newspaper will be made in the *Financial Times* in London and the *Luxemburger Wort* or the *Tageblatt* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Covered Bonds are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Covered Bonds are issued, there may, so long as any Global Covered Bonds representing the Covered Bonds are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Covered Bonds and, in addition, for so long as any Covered Bonds are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Covered Bonds on the business day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Covered Bondholder shall be in writing and given by lodging the same, together (in the case of any Covered Bond in definitive form) with the relative Covered Bond or Covered Bonds, with the Agent. Whilst any of the Covered Bonds are represented by a Global Covered Bond, such notice may be given by any holder of a Covered Bond to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

13. MEETINGS OF COVERED BONDHOLDERS AND MODIFICATION

The Agency Agreement contains provisions for convening meetings (including by way of conference call or by use of a videoconference platform) of the Covered Bondholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Covered Bonds, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer and shall be convened by the Issuer if required in writing by Covered Bondholders holding not less than five per cent. in nominal amount of the Covered Bonds for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Covered Bonds for the time being outstanding, or at any adjourned meeting one or more persons being or representing Covered Bondholders whatever the nominal amount of the Covered Bonds so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Covered Bonds or the Coupons (including modifying the date of maturity of the Covered Bonds or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Covered Bonds or altering the currency of payment of the Covered Bonds or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Covered Bonds for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Covered Bonds for the time being outstanding. The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Agency Agreement by a majority consisting of not less than three-fourths of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of all the holders or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Agent) by or on behalf of all the holders, shall, in each case, be effective as an Extraordinary Resolution of the Covered Bondholders. An Extraordinary Resolution passed by the Covered Bondholders will be

binding on all the Covered Bondholders, whether or not they are present at any meeting and whether or not they voted on the resolution, and on all Couponholders.

The Agent and the Issuer may agree, without the consent of the Covered Bondholders or Couponholders, to any modification of the Covered Bonds, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Covered Bondholders and the Couponholders and any such modification shall be notified to the Covered Bondholders in accordance with Condition 12 as soon as practicable thereafter.

In addition, the Issuer may, without the consent of the Covered Bondholders or the Couponholders, amend these Conditions to give effect to any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.3(d) above.

14. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Covered Bondholders or the Couponholders to create and issue further covered bonds having terms and conditions the same as the Covered Bonds or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Covered Bonds.

15. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Covered Bond under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

16. GOVERNING LAW AND SUBMISSION TO JURISDICTION

16.1 Governing law

The Agency Agreement, the Deed of Covenant, the Covered Bonds, the Coupons (except for the provisions relating to coverage of the Covered Bonds and the Coupons pursuant to the CBA) and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Deed of Covenant, the Covered Bonds and the Coupons (except for the provisions relating to coverage of the Covered Bonds and the Coupons pursuant to the CBA) are governed by, and shall be construed in accordance with, English law. The provisions of the Covered Bonds and the Coupons relating to coverage pursuant to the CBA, and any non-contractual obligations arising out of or in connection with such provisions, are governed by, and shall be construed in accordance with, Finnish law.

16.2 Submission to jurisdiction

- (a) Subject to Condition 16.2(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Covered Bonds and/or the Coupons, including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Covered Bonds and/or the Coupons (a **Dispute**) and accordingly each of the Issuer and any Covered Bondholders or Couponholders in relation to any Dispute submits to the exclusive jurisdiction of the English courts.

- (b) For the purposes of this Condition 16.2, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) This Condition 16.2(c) is for the benefit of the Covered Bondholders and the Couponholders only. To the extent allowed by law, the Covered Bondholders and the Couponholders may, in respect of any Dispute or Disputes, take: (i) proceedings in any other court, provided that court would be competent to hear the Dispute pursuant to Regulation (EU) No 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (recast), or the 2007 Lugano Convention on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters; and (ii) concurrent proceedings in any number of jurisdictions identified in this Condition 16.2 that are competent to hear those proceedings.

16.3 Appointment of Process Agent

The Issuer irrevocably appoints Blake Morgan LLP at its registered office at One Central Square, Cardiff, CF10 1FS as its agent for service of process in any proceedings before the English courts in relation to any Dispute, and agrees that, in the event of Blake Morgan LLP being unable or unwilling for any reason so to act, it will immediately appoint another person as its agent for service of process in England in respect of any Dispute. The Issuer agreed that failure by a process agent to notify it of any process will not invalidate service. Nothing herein shall affect the right to serve process in any other manner permitted by law.

16.4 Other documents

The Issuer has in the Agency Agreement and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

SCHEDULE 3
FORM OF DEED OF COVENANT

DEED OF COVENANT

DATED 10 JULY 2025

AKTIA BANK PLC

€6,000,000,000
EURO MEDIUM TERM NOTE AND COVERED BOND PROGRAMME

THIS DEED OF COVENANT is made on 10 July 2025 by Aktia Bank plc (the **Issuer**) in favour of the account holders or participants specified below of Clearstream Banking S.A. (**Clearstream, Luxembourg**), Euroclear Bank S.A./N.V. (**Euroclear**) and/or any other additional clearing system or systems as is specified in Part B of the Final Terms relating to any Note or Covered Bond (each as defined below) (each a **Clearing System**).

WHEREAS:

- (A) The Issuer has entered into an amended and restated Programme Agreement (the **Programme Agreement**, which expression includes the same as it may be amended, supplemented, novated or restated from time to time) dated 10 July 2025 with the Dealers named in it under which the Issuer proposes from time to time to issue Notes (the **Notes**) and Covered Bonds (the **Covered Bonds**).
- (B) The Issuer has entered into an Agency Agreement (the **Agency Agreement**, which expression includes the same as it may be amended, supplemented, novated or restated from time to time) dated 10 July 2025 between, *inter alia*, the Issuer and Citibank, N.A., London Branch (the **Agent**).
- (C) This Deed is intended to replace, in respect of Notes and Covered Bonds issued on or after the date hereof, the Deed of Covenant (the **Original Deed of Covenant**) dated 14 July 2021 executed by the Issuer.
- (D) The Notes and Covered Bonds will initially be represented by, and comprised in, Global Notes and Global Covered Bonds (as defined in the Agency Agreement), in each case representing a certain number of underlying Notes (the **Underlying Notes**) and underlying Covered Bonds (the **Underlying Covered Bonds**).
- (E) Each Global Note and each Global Covered Bond may, on issue, be deposited with a depositary for one or more Clearing Systems (together, the **Relevant Clearing System**). Upon any deposit of a Global Note or a Global Covered Bond the Underlying Notes and Underlying Covered Bonds represented by the Global Note or Global Covered Bond, as applicable, will be credited to a securities account or securities accounts with the Relevant Clearing System. Any account holder with the Relevant Clearing System which has Underlying Notes or Underlying Covered Bonds credited to its securities account from time to time (each a **Relevant Account Holder**) will, subject to and in accordance with the terms and conditions and operating procedures or management regulations of the Relevant Clearing System, be entitled to transfer the Underlying Notes or Underlying Covered Bonds and (subject to and upon payment being made by the Issuer to the bearer in accordance with the terms of the relevant Global Note or Global Covered Bond) will be entitled to receive payments from the Relevant Clearing System calculated by reference to the Underlying Notes or Underlying Covered Bonds credited to its securities account.
- (F) In certain circumstances specified in each Global Note and each Global Covered Bond, the bearer of the Global Note or Global Covered Bond will have no further rights under the Global Note or Global Covered Bond (but without prejudice to the rights which any person may have pursuant to this Deed of Covenant). The time at which this occurs is referred to as the **Relevant Time**. In those circumstances, each Relevant Account Holder will, subject to and in accordance with the terms of this Deed, acquire against the Issuer all those rights which the Relevant Account Holder would have had if, prior to the Relevant Time, duly executed and authenticated Definitive Notes or Definitive Covered Bonds, as applicable (both as defined in the Agency Agreement), had been issued in respect of its Underlying Notes or Underlying Covered Bonds, as applicable, and those Definitive Notes or Definitive Covered Bonds, as applicable, were held and beneficially owned by the Relevant Account Holder.

NOW THIS DEED WITNESSES as follows:

1. This Deed shall apply to all Notes and Covered Bonds issued on or after the date hereof and all references herein to a Note, Covered Bond, Global Note, Global Covered Bond, Underlying Note or Underlying Covered Bond shall be construed accordingly. Notes issued before the date hereof shall continue to have the benefit of the Original Deed of Covenant under the Programme, except as provided therein.
2. If at any time the bearer of the Global Note or Global Covered Bond ceases to have rights under it in accordance with its terms the Issuer covenants with each Relevant Account Holder (other than any Relevant Clearing System which is an account holder of any other Relevant Clearing System) that each Relevant Account Holder shall automatically acquire at the Relevant Time, without the need for any further action on behalf of any person, against the Issuer all those rights which the Relevant Account Holder would have had if at the Relevant Time it held and beneficially owned executed and authenticated Definitive Notes in respect of each Underlying Note represented by the Global Note, or Definitive Covered Bonds in respect of each Underlying Covered Bond represented by the Global Covered Bond, which the Relevant Account Holder has credited to its securities account with the Relevant Clearing System at the Relevant Time.

The Issuer's obligation under this clause shall be a separate and independent obligation by reference to each Underlying Note and each Underlying Covered Bond which a Relevant Account Holder has credited to its securities account with the Relevant Clearing System and the Issuer agrees that a Relevant Account Holder may assign its rights under this Deed in whole or in part.

3. The records of the Relevant Clearing System shall be conclusive evidence of the identity of the Relevant Account Holders and the number of Underlying Notes and Underlying Covered Bonds credited to the securities account of each Relevant Account Holder. For these purposes a statement issued by the Relevant Clearing System stating:
 - (a) the name of the Relevant Account Holder to which the statement is issued; and
 - (b) the aggregate nominal amount of Underlying Notes and Underlying Covered Bonds credited to the securities account of the Relevant Account Holder as at the opening of business on the first day following the Relevant Time on which the Relevant Clearing System is open for business,

shall, in the absence of manifest error, be conclusive evidence of the records of the Relevant Clearing System at the Relevant Time.

4. In the event of a dispute, the determination of the Relevant Time by the Relevant Clearing System shall (in the absence of manifest error) be final and conclusive for all purposes in connection with the Relevant Account Holders with securities accounts with the Relevant Clearing System.
5. The Issuer undertakes in favour of each Relevant Account Holder that, in relation to any payment to be made by it under this Deed, it will comply with the provisions of Condition 7 of both the Note Conditions and the Covered Bond Conditions, as applicable (being specified as the Relevant Conditions in the applicable Final Terms for the relevant Series of Notes or Covered Bonds) to the extent that they apply to any payments in respect of Underlying Notes or Underlying Covered Bonds as if those provisions had been set out in full in this Deed.
6. The Issuer will pay any stamp and other duties and taxes, including interest and penalties, payable on or in connection with the execution of this Deed and any action taken by any Relevant Account Holder to enforce the provisions of this Deed.

7. The Issuer represents, warrants and undertakes with each Relevant Account Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Deed, and that this Deed constitutes a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms subject to the laws of bankruptcy and other laws affecting the rights of creditors generally.
8. This Deed shall take effect as a Deed Poll for the benefit of the Relevant Account Holders from time to time. This Deed shall be deposited with and held by the common depositary for Euroclear and Clearstream, Luxembourg (being at the date of this Deed, Citibank, N.A., London Branch at Citigroup Centre, Canary Wharf, London E14 5LB, United Kingdom) until all the obligations of the Issuer under this Deed have been discharged in full.
9. The Issuer acknowledges the right of every Relevant Account Holder to the production of, and the right of every Relevant Account Holder to obtain (upon payment of a reasonable charge) a copy of, this Deed, and further acknowledges and covenants that the obligations binding upon it contained in this Deed are owed to, and shall be for the account of, each and every Relevant Account Holder, and that each Relevant Account Holder shall be entitled severally to enforce those obligations against the Issuer.

A notarially certified copy of each block voting instruction shall (if so requested by the Issuer) be deposited with the Issuer before the start of the meeting or adjourned meeting but the Issuer shall not as a result be obliged to investigate or be concerned with the validity of or the authority of the proxies named in the block voting instruction.
- (c) Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the instructions of the relevant Noteholder or relevant Covered Bondholder or the relevant clearing system (as the case may be) pursuant to which it was executed provided that no indication in writing of any revocation or amendment has been received from the relevant Paying Agent by the Issuer at its registered office by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.

3.5 If within 15 minutes (or such longer period not exceeding 30 minutes as the Chair may decide) after the time appointed for any meeting a quorum is not present for the transaction of any particular

business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened by Noteholders or Covered Bondholders be dissolved. In any other case it shall be adjourned to the same day in the next week (or if that day is a public holiday the next following business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall be adjourned for a period being not less than 14 clear days nor more than 42 clear days and at a place appointed by the Chair and approved by the Agent). If within 15 minutes (or a longer period not exceeding 30 minutes as the Chair may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chair may either dissolve the meeting or adjourn it for a period, being not less than 14 clear days (but without any maximum number of clear days) and to a place as may be appointed by the Chair (either at or after the adjourned meeting) and approved by the Agent, and the provisions of this sentence shall apply to all further adjourned meetings.

 - (ii) a resolution which affects the Notes or Covered Bonds of more than one Series but does not give rise to a conflict of interest between the holders of Notes or Covered Bonds of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes or Covered Bonds of all the Series so affected;
 - (iii) a resolution which affects the Notes or Covered Bonds of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes or Covered Bonds of one Series or group of Series so affected and the holders of the Notes or Covered Bonds of another Series or group of Series so affected shall be deemed to have been duly passed only if it is duly passed at separate meetings of the holders of the Notes or Covered Bonds of each Series or group of Series so affected; and
 - (iv) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes, Covered Bonds, Noteholders, Covered Bondholders, holders and bondholders were references to the Notes or Covered Bonds, as applicable, of the Series or group of Series in question or to the holders of such Notes or Covered Bonds, as the case may be.
- (b) If the Issuer has issued and has outstanding Notes or Covered Bonds which are not denominated in euro, or in the case of any meeting of holders of Notes or Covered Bonds of more than one currency, the nominal amount of such Notes or Covered Bonds shall:

- (i) for the purposes of subclause 3.1 above, be the equivalent in euro at the spot rate of a bank nominated by the Agent for the conversion of the relevant currency or currencies into euro on the seventh dealing day before the day on which the written requirement to call the meeting is received by the Issuer; and
- (ii) for the purposes of subclauses 3.4, 3.6 and 4.7 above (whether in respect of the meeting or any adjourned meeting or any poll), be the equivalent at that spot rate on the seventh dealing day before the day of the meeting,

and, in all cases, the equivalent in euro of Zero Coupon Notes, Zero Coupon Covered Bonds or any other Notes or Covered Bonds issued at a discount or a premium shall be calculated by reference to the original nominal amount of those Notes or Covered Bonds.

In the circumstances set out above, on any poll each person present shall have one vote for each €1.00 in nominal amount of the Notes or Covered Bonds (converted as above) which they hold or represent.

SCHEDULE 6

FORMS OF GLOBAL AND DEFINITIVE NOTES, GLOBAL AND DEFINITIVE COVERED BONDS, COUPONS AND TALONS

PART 1 OF SCHEDULE 6

FORM OF TEMPORARY GLOBAL NOTE

AKTIA BANK PLC

TEMPORARY GLOBAL NOTE

This Global Note is a Temporary Global Note in respect of a duly authorised issue of Notes (the **Notes**) of Aktia Bank plc (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Part 1 of Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 10 July 2025 and made between the Issuer, Citibank, N.A., London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided below.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or 3 of Schedule One or in Schedule Two.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes (as shown by its records) a certificate of non-U.S. beneficial ownership in the form required by it. The bearer of this Global Note will not be entitled to receive any payment of interest due on or after the Exchange Date unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date, this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either:

- (a) security printed Definitive Notes and (if applicable) Coupons and Talons in the form set out in Part 5, Part 7 and Part 8 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes); or
- (b) either, (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note, or (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 3 of Schedule 6 to the Agency Agreement (together with the Final Terms attached to it),

in each case upon notice being given by a relevant Clearing System acting on the instructions of any holder of an interest in this Global Note.

If Definitive Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for security printed Definitive Notes and (if applicable) Coupons and/or Talons in accordance with the terms of this Global Note.

This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in England. The Issuer shall procure that, as appropriate, (i) the Definitive Notes or (as the case may be) the Permanent Global Note (where the Final Terms indicates that this Global Note is not intended to be a New Global Note), shall be so issued and delivered, or (ii) the interests in the Permanent Global Note (where the Final Terms indicates that this Global Note is intended to be a New Global Note) shall be recorded in the records of the relevant Clearing System, in each case in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate of non-U.S. beneficial ownership from such person in the form required by it. The aggregate nominal amount of Definitive Notes or interests in a Permanent Global Note issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the bearer for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Global Note).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. On an exchange of part only of this Global Note, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered *pro rata* in the records of the relevant Clearing Systems; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two to the Permanent Global Note recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if they were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above, then from 8.00 p.m. (London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 10 July 2025 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.

FORM OF TEMPORARY GLOBAL COVERED BOND

AKTIA BANK PLC

TEMPORARY GLOBAL COVERED BOND

This Global Bond is a Temporary Global Covered Bond in respect of a duly authorised issue of Covered Bonds (the **Covered Bonds**) of Aktia Bank plc (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Covered Bond to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Part 2 of Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Covered Bond and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 10 July 2025 and made between the Issuer, Citibank, N.A., London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Covered Bond on the Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Covered Bonds represented by this Global Covered Bond on each such date and to pay interest (if any) on the nominal amount of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Covered Bond to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds, but in each case subject to the requirements as to certification provided below.

If the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, the nominal amount of Covered Bonds represented by this Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Covered Bond means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Covered Bonds) shall be conclusive evidence of the nominal amount of Covered Bonds represented by this Global Covered Bond and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Covered Bonds represented by this Global Covered Bond at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or Part 3 of Schedule One or in Schedule Two.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Covered Bonds recorded in the records of the relevant Clearing Systems and represented by this Global Covered Bond shall be reduced by the aggregate nominal amount of the Covered Bonds so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be reduced by the nominal amount of the Covered Bonds so redeemed or purchased and cancelled.

Payments due in respect of Covered Bonds for the time being represented by this Global Covered Bond shall be made to the bearer of this Global Covered Bond and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments (if any) on this Global Covered Bond will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Covered Bonds (as shown by its records) a certificate of non-U.S. beneficial ownership in the form required by it. The bearer of this Global Covered Bond will not be entitled to receive any payment of interest due on or after the Exchange Date unless upon due certification exchange of this Global Covered Bond is improperly withheld or refused.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date this Global Covered Bond may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either:

- (a) security printed Definitive Covered Bonds and (if applicable) Coupons and Talons in the form set out in Part 6, Part 7 and Part 8 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Covered Bonds and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Covered Bonds); or
- (b) either, (i) if the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Covered Bond or, (ii) if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, a Permanent Global Covered Bond, which, in either case, is in or substantially in the form set out in Part 5 of Schedule 6 to the Agency Agreement (together with the Final Terms attached to it),

in the case upon notice being given by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Covered Bond.

If Definitive Covered Bonds and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Covered Bonds represented for the time being by the Permanent Global Covered Bond,

then this Global Covered Bond may only thereafter be exchanged for security printed Definitive Covered Bonds and (if applicable) Coupons and/or Talons in accordance with the terms of this Global Covered Bond.

This Global Covered Bond may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in England. The Issuer shall procure that, as appropriate, (i) the Definitive Covered Bonds or (as the case may be) the Permanent Global Covered Bond (where the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note), shall be so issued and delivered, or (ii) the interests in the Permanent Global Covered Bond where the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note) shall be recorded in the records of the relevant Clearing System, in each case in exchange for only that portion of this Global Covered Bond in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Covered Bonds (as shown by its records) a certificate of non-U.S. beneficial ownership from such person in the form required by it. The aggregate nominal amount of Definitive Covered Bonds or interests in a Permanent Global Covered Bond issued upon an exchange of this Global Covered Bond will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Covered Bond submitted by the bearer for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Global Covered Bond).

On an exchange of the whole of this Global Covered Bond, this Global Covered Bond shall be surrendered to or to the order of the Agent. On an exchange of part only of this Global Covered Bond, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, details of such exchange shall be entered *pro rata* in the records of the relevant Clearing Systems; or
- (b) if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the nominal amount so exchanged. On any exchange of this Global Covered Bond for a Permanent Global Covered Bond, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Covered Bond and the relevant space in Schedule Two to the Permanent Global Covered Bond recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Covered Bond, the bearer of this Global Covered Bond shall in all respects (except as otherwise provided in this Global Covered Bond) be entitled to the same benefits as if they were the bearer of Definitive Covered Bonds and the relative Coupons and/or Talons (if any) represented by this Global Covered Bond. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Covered Bond as the absolute owner of this Global Covered Bond for all purposes.

In the event that this Global Covered Bond (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above, then from 8.00 p.m. (London time) on such day each Covered Bondholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 10 July 2025 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Covered Bond (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Covered Bond, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Covered Bond is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Covered Bond, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Covered Bond.

This Global Covered Bond and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Covered Bond shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Covered Bond is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Covered Bond to be duly executed on its behalf.

AKTIA BANK PLC

PERMANENT GLOBAL NOTE

This Global Note is a Permanent Global Note in respect of a duly authorised issue of Notes (the **Notes**) of Aktia Bank plc (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Part 1 of Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 10 July 2025 and made between the Issuer, Citibank, N.A., London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall, save in the case of manifest error, be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time

¹ This legend can be deleted if TEFRA C or TEFRA not applicable is specified in the applicable Final Terms

(which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or 3 of Schedule One or in Schedule Two.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note, the Issuer shall procure that:

- (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Where the Notes have initially been represented by one or more Temporary Global Notes, on any exchange of any such Temporary Global Note for this Global Note or any part of it:

- (i) the Issuer shall procure that if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording any such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such Temporary Global Note so exchanged.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (i) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such further notes shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the amount of such further notes so issued; or
- (ii) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such further notes shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further notes shall be signed by or on behalf of the Issuer,

whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such further notes so issued.

This Global Note may be exchanged in whole but not in part (free of charge) for security printed Definitive Notes and (if applicable) Coupons and/or Talons in the form set out in Part 5, Part 7, Part 8 and Part 6 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes) either, as specified in the Final Terms:

- (a) upon not less than 60 days' written notice being given to the Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note; or
- (b) only upon the occurrence of an Exchange Event.

An **Exchange Event** means:

- (i) an Event of Default (as defined in Condition 9) has occurred and is continuing;
- (ii) the Issuer has been notified that both the relevant Clearing Systems have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by this Global Note in definitive form.

If this Global Note is only exchangeable following the occurrence of an Exchange Event:

- (A) the Issuer will promptly give notice to Noteholders in accordance with Condition 13 upon the occurrence of an Exchange Event; and
- (B) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems acting on the instructions of any holder of an interest in this Global Note may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange.

Any such exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Agent and will be made on any day (other than a Saturday or Sunday) on which banks are open for general business in England. The aggregate nominal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note at the time of such exchange.

On an exchange of this Global Note, this Global Note shall be surrendered to or to the order of the Agent.

Until the exchange of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if they were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that (a) this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has

not been made to the bearer in accordance with the provisions set out above, or (b) following an Exchange Event, this Global Note is not duly exchanged for definitive Notes by the day provided above, then from 8.00 p.m. (London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 10 July 2025 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.

FORM OF THE PERMANENT GLOBAL COVERED BOND

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(J) AND 1287(A) OF THE INTERNAL REVENUE CODE.¹

AKTIA BANK PLC

PERMANENT GLOBAL COVERED BOND

This Global Covered Bond is a Permanent Global Covered Bond in respect of a duly authorised issue of Covered Bonds (the **Covered Bonds**) of Aktia Bank plc (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Covered Bond to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Part 2 of Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Covered Bond and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 10 July 2025 and made between the Issuer, Citibank, N.A., London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Covered Bond on the Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Covered Bonds represented by this Global Covered Bond on each such date and to pay interest (if any) on the nominal amount of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Covered Bond to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

If the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, the nominal amount of Covered Bonds represented by this Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Covered Bond means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Covered Bonds) shall, save in the case of manifest error, be conclusive evidence of the nominal amount of Covered Bonds represented by this Global Covered Bond and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Covered

¹ This legend can be deleted if TEFRA C or TEFRA not applicable is specified in the applicable Final Terms

Bonds represented by this Global Covered Bond at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be the aggregate nominal amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or Part 3 of Schedule One or in Schedule Two.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond the Issuer shall procure that:

- (i) if the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Covered Bonds recorded in the records of the relevant Clearing Systems and represented by this Global Covered Bond shall be reduced by the aggregate nominal amount of the Covered Bonds so redeemed or purchased and cancelled; or
- (ii) if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be reduced by the nominal amount of the Covered Bonds so redeemed or purchased and cancelled.

Payments due in respect of Covered Bonds for the time being represented by this Global Covered Bond shall be made to the bearer of this Global Covered Bond and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Where the Covered Bonds have initially been represented by one or more Temporary Global Covered Bonds, on any exchange of any such Temporary Global Covered Bond for this Global Covered Bond or any part of it:

- (i) the Issuer shall procure that if the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording any such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be increased by the nominal amount of any such Temporary Global Covered Bonds so exchanged.

In certain circumstances further bonds may be issued which are intended on issue to be consolidated and form a single Series with the Covered Bonds. In such circumstances the Issuer shall procure that:

- (i) if the Final Terms indicates that this Global Covered Bond is intended to be a New Global Note, details of such further covered bonds shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Covered Bonds represented by this Global Covered Bond shall be increased by the amount of such further covered bonds so issued; or

- (ii) if the Final Terms indicates that this Global Covered Bond is not intended to be a New Global Note, details of such further covered bonds shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further covered bonds shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be increased by the nominal amount of any such further covered bonds so issued.

This Global Covered Bond may be exchanged in whole but not in part (free of charge) for security printed Definitive Covered Bonds and (if applicable) Coupons and/or Talons in the form set out in Part 6, Part 7, and Part 8 respectively of Schedule 6 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Covered Bonds and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Covered Bonds) either, as specified in the Final Terms:

- (a) upon not less than 60 days' written notice being given to the Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Covered Bond; or
- (b) only upon the occurrence of an Exchange Event.

An **Exchange Event** means:

- (i) the Issuer has been notified that both the relevant Clearing Systems have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (ii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds represented by this Global Covered Bond in definitive form.

If this Global Covered Bond is only exchangeable following the occurrence of an Exchange Event:

- (A) the Issuer will promptly give notice to the holders of Covered Bonds in accordance with Condition 14 upon the occurrence of an Exchange Event; and
- (B) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems acting on the instructions of any holder of an interest in this Global Covered Bond may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the Issuer may also give notice to the Agent requesting exchange.

Any such exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Agent and will be made on any day (other than a Saturday or Sunday) on which banks are open for general business in England. The aggregate nominal amount of Definitive Covered Bonds issued upon an exchange of this Global Covered Bond will be equal to the aggregate nominal amount of this Global Covered Bond at the time of such exchange.

On an exchange of this Global Covered Bond, this Global Covered Bond shall be surrendered to or to the order of the Agent.

Until the exchange of this Global Covered Bond, the bearer of this Global Covered Bond shall in all respects (except as otherwise provided in this Global Covered Bond) be entitled to the same benefits as if they were the bearer of Definitive Covered Bonds and the relative Coupons and/or Talons (if any) represented by this Global Covered Bond. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Covered Bond as the absolute owner of this Global Covered Bond for all purposes.

In the event that (a) this Global Covered Bond (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above, or (b) following an Exchange Event, this Global Covered Bond is not duly exchanged for definitive Covered Bonds by the day provided above, then from 8.00 p.m. (London time) on such day each Covered Bondholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Deed of Covenant executed by the Issuer on 10 July 2025 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Covered Bonds and the bearer will have no further rights under this Global Covered Bond (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Covered Bond, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Covered Bond is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Covered Bond, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Covered Bond.

This Global Covered Bond and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Covered Bond shall not be valid unless authenticated by the Agent and, if the Final Terms indicates that this Global Covered Bond is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Covered Bond to be duly executed on its behalf.

1. The Agent will inform each of Euroclear and Clearstream, Luxembourg (the **ICSDs**), through the common service provider appointed by the ICSDs to service the Notes or Covered Bonds (the **CSP**), of the initial issue outstanding amount (**IOA**) for each Tranche on or prior to the relevant Issue Date.
